Shasta - Flyte Lightweight Travel Trailers

Adventure Awaits

# Adventure Awaits

## SHASTA CONSTRUCTION

Comfortable and roomy dinette booths are offered in every floorplan, along with a Jack Knife sofa, and a 60" x 74" Queen Bed. Durable fabrics, pocket-bored and screwed cabinetry, full extension ball bearing drawer guides, and electric slide rooms are details you will love in your time spent in a Flyte. From our Designer Carefree flooring to the one piece rubber roof, know your Flyte is supported by 16" on center wall and floor studs. The Flyte delivers everything you need for your travel adventures.

## Leading Value in the RV Industry

The Flyte has all you need for an impressive home base. A full galley kitchen with a 3 burner cooktop, residential 60/40 sink, a 6 cubic foot refrigerator, and a 6 gallon gas DSI water heater. Outside there's pass-through storage, and front diamond plate rock guard to make your life easy. When it's finally time to sleep, enjoy the comfortable 60"x 74" queen bed, with reading lights and wardrobes. Flyte from Shasta is the value leader for all your travels!

## Need New Copy

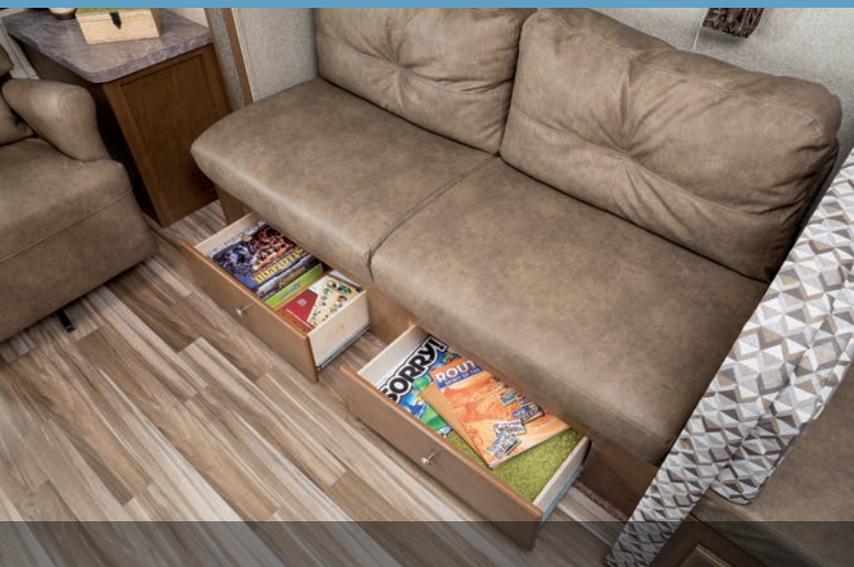

Everywhere you turn, Shasta has added value. The skylight with pleated shade, foil treated tray ceiling, LED lights, double bowl sink, pull out sprayer faucet, seamless countertops, upgraded stereo/DVD player and sturdy cabinetry are all standard equipment

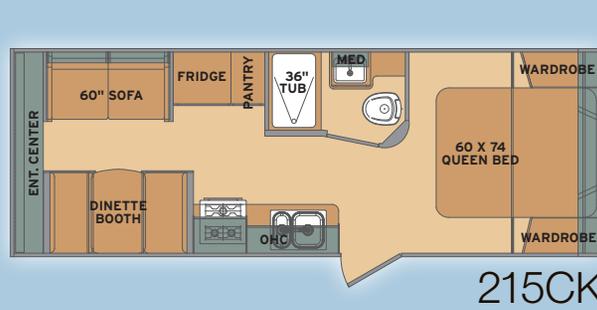

## Need New Copy

Even beyond the main living area, style and comfort abound. Walk around queen beds with storage underneath are covered by quilted bedspreads. These are flanked by full length shirt closets with mirrors and night stands with 110V outlets. Bedrooms and bathrooms are all kept private by six panel residential style doors. Overhead cabinets are equipped with reading lights and windows are treated with pleated shades.

## THE SHASTA STORY – Leading Value in the RV Industry

In 1941, the first Shasta “house trailer” was built to be used as mobile military housing. Today, over 70 years later, Shasta remains an important player in the multi-billion-dollar RV industry. As one of the industry’s longest producers of recreational vehicles, Shasta is proud of its longevity. We’ve earned our success in the best possible way – through experience ... more experience than any other R V company in the world. Shasta’s respected name prevails in today’s fast-moving RV industry because of experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River.

**Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
