REVERE

Shasta - Revere Travel Trailers

Affordable Luxury, Everlasting Style

# Revere Style Realized

## BEST-IN-CLASS

Oversized windows, decorator inspired valances, soaring 7' ceilings and bright, yet warm, LED lights add to the Revere's residential feel. Expansive storage is available behind the solid wood cabinet doors and the reliable electric slide mechanisms multiply your living space.

## Floorplan Layouts Designed For Every Situation

Whether traveling alone, or hosting the extended family, we have a layout to fit your needs. Exploring the beach with kids or grandkids, taking a walk in the woods with your favorite pet or relaxing alone by the base of a mountain, Revere is right at home.

## Small Details, Big Difference

Everywhere you turn, Shasta has added value. The skylight with pleated shade, foil treated tray ceiling, LED lights, double bowl sink, pull out sprayer faucet, seamless countertops, upgraded stereo/DVD player and sturdy cabinetry are all standard equipment

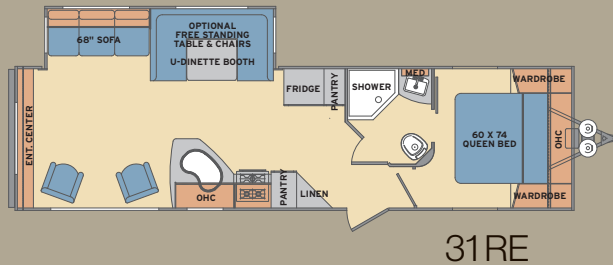

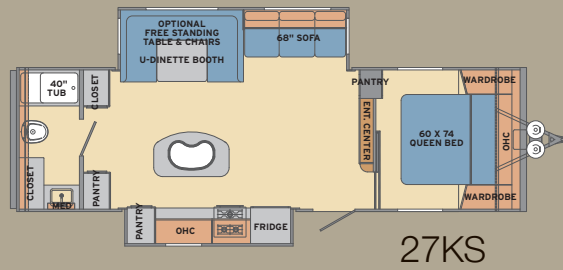

## When It's Time To Kick Back

Even beyond the main living area, style and comfort abound. Walk around queen beds with storage underneath are covered by quilted bedspreads. These are flanked by full length shirt closets with mirrors and night stands with 110V outlets. Bedrooms and bathrooms are all kept private by six panel residential style doors. Overhead cabinets are equipped with reading lights and windows are treated with pleated shades.

## THE SHASTA STORY – Leading Value in the RV Industry

In 1941, the first Shasta “house trailer” was built to be used as mobile military housing. Today, over 70 years later, Shasta remains an important player in the multi-billion-dollar RV industry. As one of the industry’s longest producers of recreational vehicles, Shasta is proud of its longevity. We’ve earned our success in the best possible way – through experience ... more experience than any other R V company in the world. Shasta’s respected name prevails in today’s fast-moving RV industry because of experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River.

**24/7 EMERGENCY ROADSIDE ASSISTANCE**

**Coach-Net®**

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

**Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
