Plank Wood Linoleum & Optional TV

## Discover the best buy

### MORE FOR YOUR DOLLAR

The 28DBUD and all the Wildwood models offer more for the dollar spent. With phenomenal market share growth over the last 6 years the Wildwood has become the value buyers choice. The beautiful interiors are one reason. Wildwoods look like an RV costing \$5,000 or \$10,000 dollars more. The kitchen countertop, slide-out treatments, cabinet storage, window appointments, wood grain linoleum, bedspreads, shower curtains, and the finishes on appliances, cabinets and hardware, are major elements to our success. See for yourself. Compare and make the wise and obvious choice to own a Wildwood RV by Forest River, Inc.

- 1 Wildwood master bedroom includes solid doors (not drapes), which are excellent for privacy, and give access to the entertainment center TV. (Most models)
- 2 This shows one of the popular locations for a bedroom TV on the 28DBUD and other models.
- 3 An extra large 20" x 30" compartment door is standard on most Wildwood products (Per floorplan)
- 4 Shown are the 2 rear double beds in a 28DBUD model Wildwood

Plank Wood Linoleum*

# We never cut corners.

## COMMITTED TO QUALITY

Wildwood doesn't skimp on windows, drawers, solid interior doors, cabinets or other features. We are committed to manufacturing quality built products.

- 1 Full extension ball bearing drawer guides with cabinet-grade plywood drawer slides
- 2 One or two recliners are standard equipment on all one bedroom (non-bunk) units.
- 3 This attractive shower is included on all one bedroom (non-bunk) units.
- 4 "Double Deep" kitchen overhead cabinets provide a kitchen with the best storage space in the business.
- 5 We have added a new high quality vinyl coated back splash in the kitchen that is wonderfully wrinkle-free and heat-resistant.
- 6 LED lighting is a popular standard feature.
- 7 Recent redesigns have brought more space into the bedroom at the foot of the bed. Our customers love it!

WIDE OPEN LIVING ROOM

WILDWOOD  
**T26TBSS**

SHOWN IN TIFFANY LEATHER DÉCOR

**5,780 LB.**

Shown with Standard Beauflor®  
Plank Wood Linoleum & Optional TV

# Personal & Perfect.

## COMMITTED TO QUALITY

- 1 Wildwood clearly has larger bedrooms than the competition, which gives plenty of walk-around space around the bed with ample room to change clothes or tie your shoes. Wildwood master bedrooms include a laundry storage feature, and an ideal TV location with cable hookup.
- 2 The attractive Wildwood entertainment center includes a flip around TV mount for display in the living room and master bedroom. This central display enhances TV viewing in both rooms. Included are 2 entrances to the master bedroom with solid sliding doors for privacy.
- 3 All Wildwoods feature the standard multi-directional Winegard Sensor antennas, allowing you to watch channels broadcast up to 55 miles away.
- 4 Slip-resistant Beauflor® plank wood look linoleum is a safe, beautiful flooring which will last for years to come.
- 5 Extra large pot and pan drawer at the dinette base. This, together with the extra deep overhead cabinets in the kitchen, provide the consumer the best storage by far in the industry, and this separates us from the competition. Giant-sized drawer under the standard sofa provides 4.8 cubic feet of storage!

THE ULTIMATE BIG FAMILY CAMPER

WILDWOOD

# T30KQBSS

SHOWN IN ONYX DÉCOR

**6,884 LB.**

*Shown with Standard Beauflor®  
Plank Wood Linoleum*

# Big in size or big in heart, we have room for you.

## COMFORT FOR EVERYONE.

Large families can really appreciate the value of camping in the 30KQBSS with the huge u-shaped dinette, lots of beds and tons of storage. This model is loaded with practical, value-added features which makes enjoying your camping trip easy.

Towable Comfort for your family. Wildwood provides spacious, convenient floorplans, even when you need light-weight towability for any size family!

**1 Flexible bunk room.** The 30KQBSS has a practical bunk room with flexibility to sleep 3 people. (Dinette makes into a bed.) **VERY POPULAR!**

**2 The outside kitchen.** The ever-popular outside kitchen provides fireside access to refreshments and a second cooking area outdoors. Ours has a quality metal counter top.

## Excellent Craftsmanship.

Our skilled craftsmen have years of experience building beautifully finished RVs. Forest River, started building RVs in 1996 and today is the number one producer of travel trailers in the world.\* Wildwood has been part of that since the beginning.

\* Independent data provided for January through August 2015 by Statistical Survey's, Inc. Grand Rapids, Michigan.

# AMERICA'S CHOICE

Wildwood brand trailers are becoming America's choice for another reason beyond interior appointments. The quality in construction of this unit makes it the wise choice in "Family Affordability." We start with a foundation of 5/8" tongue and groove exterior-grade plywood flooring. This is glued and "ring shank" nailed to 2"x 3" floor joists. This glue is so strong many refer to it as a "wood weld." Here is a list of outstanding construction exterior features.

- Overpowered drive motor for the slideout mechanism
- One-piece seamless SuperFlex® roof
- Smooth fiberglass entrance and compartment doors
- Heated enclosed fresh water tanks. (This makes 3 1/2 season camping possible in your Wildwood Camper.)
- Triple seal on slideout openings, with maximum duty perimeter strength.
- Select axles with fully machined spindles, manufactured to exacting tolerances. The best spindle in the business helps your unit to pull arrow straight.
- Our (CCC) cargo carrying capacities are as good or better than any brand in the business.
- Towability is maximized, with the right combination of balance, axle placement, weight and aerodynamics.

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

### 24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one

year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada.

Coach-Net's fast, dependable service is just a phone call away.

### Specification Definitions

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\* Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. Litho. U.S.A P/W: 2014.09.17

## Discover the best buy

### MORE FOR YOUR DOLLAR

The 27DBUD and all the Wildwood models offer more perceived value. With phenomenal market share growth over the last 6 years the Wildwood has become the buyers choice. The beautiful interiors are one reason. Our attention to details like the kitchen countertop, slide-out treatments, cabinet storage, window appointments, wood grain linoleum, bed-spreads, shower curtains, and the finishes on appliances, cabinets and hardware, show our commitment to quality. See for yourself. You'll notice the Wildwood is the best on the market.

- 1 Wildwood master bedroom includes solid doors (not drapes), which are excellent for privacy, and give access to the entertainment center TV. (Most models)
- 2 This shows one of the popular locations for a bedroom TV on the 27DBUD and other models.
- 3 An extra large 20" x 30" compartment door is standard on most Wildwood products (Per floorplan)

## COMMITTED TO QUALITY

Wildwood doesn't skimp on windows, drawers, solid interior doors, cabinets or other features. We are committed to manufacturing quality built products.

- 1 Full extension ball bearing drawer guides with cabinet-grade plywood drawer sides.
- 2 Two recliners are standard equipment on the T27RKSS & T27RLSS.
- 3 This upgraded glass radius shower is available on the 21RBS, 23RBS, 25RKS, 27RBSS, 27RKSS and 27RLSS.
- 4 "Double Deep" kitchen overhead cabinets provide a kitchen with the best storage space in the business.
- 5 We have added a new high quality vinyl coated back splash in the kitchen that is wonderfully wrinkle-free and heat-resistant.
- 6 LED lighting is a popular standard feature.
- 7 Recent redesigns have brought more space into the bedroom at the foot of the bed. Our customers love it!

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

### 24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one

year of Coach-Net RV Technical & Roadside

Assistance with each RV purchase. Whether

new to the RV lifestyle or an experienced RV enthusiast,

Forest River owners have 24/7 access to technical,

operational and emergency road service

coverage throughout the US & Canada.

Coach-Net's fast, dependable

service is just a phone

call away.

### Specification Definitions

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\* Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. Litho. U.S.A P/W: 2016.02.26

## Specification Definitions

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\* Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
