A PLACE FOR EVERYTHING EVERYTHING IN ITS PLACE

Prep area, cleanup, and storage are the three most important elements in the kitchen. You demand more counter space and Prowler's own in-house counter top shop delivers counters that are uniquely arched in design so they flow with the kitchen while maximizing every inch of space. Prowler customers never have to sacrifice in the kitchen.

Model 29P RKS

Prowler's large 50/50 sink allows you to wash and rinse residential pot and pans with ease.

The Prowler Paw design provides approximately 25% more workspace.

An eye level integrated Spice Rack puts the seasonings right where you can see them.

Large 19" gas oven with three burner cook top with high output front burner for large pots and pans.

Strong, steel ball bearing, full extension design allows much larger and deeper drawers.

Hidden Trash Receptacle keeps the trash out of sight and out of the way, not to mention the odor.

SWEET STORAGE SWEET DREAMS

Face it, you've got stuff and Prowler delivers the storage space necessary for your entire family. Large closets, some with clothes rods and some with drawers, dressers, overheads, even under-bed storage. Every square inch of usable space has been maximized so you can bring all your favorite stuff on vacation. The other main point of a vacation is to catch up on your rest. Prowler provides comfortable sleeping arrangements for your family.

Heartland Recreational Vehicles
2831 Dexter Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
