FEATURES

Pearl
EDITION

high gloss fiberglass exterior

The standard HD LCD television comes with its own swing arm to give you the best view possible. Located nearby, you will find your Wireless Link Technology enabled stereo featuring AM/FM/CD/DVD/MP3 player and multiple-zone speaker controls. Speakers are located in the living room, bedroom, and outside in your camping area.

Power Awning with a super bright LED light strip.

Enormous pass-through storage compartment.

Bluetooth®

Control the stereo from your Bluetooth enabled smart phone, stream music from your smart phone and even place or receive calls through the Wireless Link system.

Extra strong drawer guides allow us to offer larger drawers which extend past the cabinet face for maximum use.

SOLID SURFACE
Countertops increase the usability, beauty and value of our coaches. Solid surface is both durable and RENEWABLE. RENEWABLE means it is the same consistency through and through and if scratched or chipped, can be easily repaired so that it looks like new!

Laminated SIDEWALL System

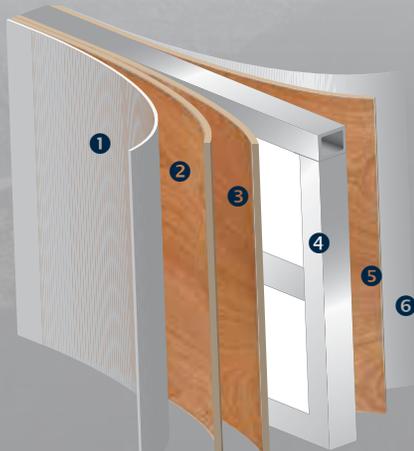

A 1/8" thin coffee cup can protect your hand from scalding hot coffee - consider the protection Heartland's sidewalls offer featuring 1.5" block foam insulation

- Lightweight Aluminum Structure
- Double Welded
- 1½" Thick Block Foam Insulation
- Two Inches Thick Overall
- High Gloss Fiberglass Skin

STRENGTH:

① Fiberglass that is laminated to a ② 1/8" luan board. We then laminate a second layer of ③ 1/8" luan, which acts as a vapor barrier, ensures the walls are straight and smooth, and helps eliminate thermal transfer. The luan sheets are staggered during this process for added strength, durability and a smoother finish. ④ The double welded aluminum structure is then filled with block foam insulation and finished with ⑤ 1/8" luan covered in a ⑥ decorative wall vinyl

Magnetic hold-back

LAMINATED FLOOR

HEARTLAND's laminated floor system is one of the strongest floors in the industry! Featuring sturdy aluminum framing; thick block foam insulation; One-piece seamless decking and a thermo-board luan on the bottom. All these materials are laminated together for maximum strength, insulation R value and reducing flex in the floor!

Heartland's laminated floor construction easily supported over 1,800 lbs. of water jugs in one spot - resulting in less flex!!

Laminated SIDEWALL System

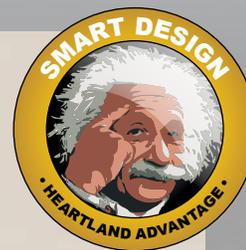

A 1/8" thin coffee cup can protect your hand from scalding hot coffee - consider the protection Heartland's sidewalls offer featuring 1.5" block foam insulation

- Lightweight Aluminum Structure
- Double Welded
- 1½" Thick Block Foam Insulation
- Two Inches Thick Overall
- High Gloss Fiberglass Skin

Almost Endless Outside Storage Possibilities!

LOADED WITH FEATURES

Elkridge Xtreme Light exteriors display the finest blend of value and functionality. Combining the U-shape mega dinette, exterior storage and enclosed gooseneck makes Xtreme Light the best value on the market. Xtreme Light is money well spent!

Heartland Recreational Vehicles
 2831 Dexter Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

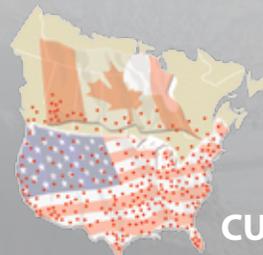

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

 FOR ADDITIONAL INFORMATION

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
