Rockwood

ULTRA LITE TRAVEL TRAILERS & FIFTH WHEELS ULTRA V MINI LITE ROO

Over 40 Years of Excellence

THE TRADITIONAL ROCKWOOD TRAVEL TRAILERS, FIFTH WHEELS AND CAMPING TRAILERS CONTINUE TO PROVIDE UNSURPASSED VALUE AND COMFORT.

Since 1974 Rockwood has been building on a rich tradition of providing superior value and service while remaining in tune with our customer's preferences. As a result, Rockwood has become the ultimate luxury product in the light weight trailer market, proudly showcasing more innovative floor plans, appealing features and refined interior appointments than any others in its class.

Rockwood is committed to insuring that our customers enjoy their camping experiences. Through the utilization of our experienced work force, "state of the art" lamination facility and detailed production assembly processes our aim is to continue to provide our customers with the best built product possible at an unmatched value.

ASPEN / DRIFTWOOD

2604WS
STANDARD DÉCOR

THE EMERALD PACKAGE. THE TRADITION CONTINUES.

To continue this tradition, Rockwood Ultra Lites offer a group of appealing features to enhance the appearance of the Ultra Lite series. The Emerald package adds style and luxury as demonstrated in the picture of the 2715VS on page 5. This option package includes: Dyster colored fiberglass, Deep tinted frameless bonded windows, Slam latches on most storage doors exterior step lighting, aluminum wheels, upgraded slide fascia and solid surface Corian® kitchen counter tops.

Emerald Package Exterior

The Ultra Lite trailer's spacious interiors offer numerous windows, 80" vaulted ceilings with directional vented air conditioning and extensive interior LED lighting throughout. Rich with appointments like the flush mount Stonecast sink, a stove top with glass cover, 22" oven and distinctive Maple or Driftwood cabinets with solid wood doors and drawer fronts throughout add to the tremendous value provided.

Featuring an aluminum framed with vacuum bonded construction, high gloss fiberglass exterior and deluxe graphics, the Ultra Lite and Ultra V are among the best constructed, most well insulated trailers available on the market today.

ROCKWOOD

Ultra V

THERE ARE ADVANTAGES TO INNOVATIVE DESIGN.

Thanks to the "V" nose design, every possible space of the Ultra V models are used to maximize interior room, functionality and storage space. These aerodynamic, six-sided vacuum-bonded trailers can be towed efficiently by a wide range of vehicles on the market. A variety of standards and options allows the potential for customizing to satisfy your individual preferences.

ROCKWOOD

Quality Construction

JUST A FEW FEATURES THAT MAKE US GREAT.

Quality built trailers always bring the same results: long-lasting products you can depend on to enjoy with your family year after year. These are some of our highlights.

A

B

C

D

E

F

G

A Glued and screwed wood cabinetry

B Aluminum dinette frames for added strength and weight savings

C Vacuum-bonded floor with 16" on center aluminum floor joists (Std. Ultra Lite, select Roo models)

D Extra large dinette storage doors and full extension metal drawer guides in the kitchen

E Dexter Torflex Axles:
· Independent wheel suspension and self-damping action
· Rubber cushioning eliminates metal-to-metal contact.
· Forged torsion arm for maximum strength

Models are also equipped with E-Z Lube® System and Nev-R-Adjust® Brakes.

F Enclosed underbelly protects trailer components as well as increasing aerodynamics (Ultra Lite models only)

G Aluminum Frame Construction with fiberglass exterior shown with Emerald Package and deluxe graphics

ROOF CONSTRUCTION

Vacuum-bonded radius roof with vaulted ceiling providing superior insulation and more interior height.

4" thick roof with built in insulated A/C ducts

Built strong to enable you to conveniently perform periodic roof maintenance.

WALL STRENGTH

Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

VACUUM-BONDED LAMINATED CONSTRUCTION

Rockwood is one of the few manufacturers that is a fully **6 sided vacuum-bonded trailer**. Our walls, floors, roof, fronts and backs are all aluminum framed and vacuum-bonded to ensure a well-insulated, light weight, strong structural trailer.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one

year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada.

Coach-Net's fast, dependable service is just a phone call away.

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Freedom, ESP, Premier, High Wall & Hard Side Camping Trailers.

Windjammer, Signature Ultra Lite TT & FW

ROCKWOOD

Warranty WE STAND BEHIND OUR PRODUCTS.

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty,
2. Two-year fiberglass warranty,
3. Five-year axle warranty,
4. Five-year tent warranty,
5. One-year bumper to bumper warranty,
6. Available second-year warranty
