THUNDERBOLT
Fifth Wheel Toy Haulers

XTENDED LIVING AND RECREATION

XLR THUNDERBOLT

Bold, Luxurious and Loaded for Adventure!

Choose your destination, load up your friends, the toys, all your gear and hit the road! Head turning Thunderbolt fifth wheels are the best toy haulers on the market today. Outstanding details include rich, Espresso cabinetry and wainscoting, elegant frosted glass doors, plus LG solid surface countertops, accented with dramatic blue LED lighting throughout. Versatile garage and outdoor patio configurations extend your living space.

*Convenient
pop-up

station*

415AMP

Everyone is at the center of the action with this popular open concept floorplan. The 7'6" high slide out features a quad recliner wall hugger sofa, black out roller shades, oversized windows and a decorative ceiling medallion with eye catching blue back lighting. Shown in Onyx decor.

415AMP *Stock up for a long adventure and cook up a storm! This well-planned kitchen has plenty of storage and prep space, plus stainless steel, deep bowl sinks with a contemporary spring faucet.*

415AMP *This spacious king bed master suite offers tons of his and hers wardrobe space. Shown in Onyx decor.*

Saddle

True Multi-Purpose Living!

Thunderbolt Toyhaulers maximize versatility. They're designed to fit today's most popular side-by-side four wheelers, motorcycles, grills, kayaks, bicycles, pets and kids. This max clearance dinette flips up for a full 8' of space when loading your toys, plus there's an electric bed above. It's more than an exceptional garage (with nickel coat, gas and oil resistant industrial flooring) – it's a dining room, a game room/recreation area, or a private second bedroom with a dedicated bathroom. An optional roll-out carpet amps up the comfort.

Pack for a party and hit the optional VIP Patio deck equipped with two Zero Gravity chairs. The NEW stow away rail system, with easy to use attachment clips, packs away easily when it's time to head out. Shown with these additional options: electric awning, access steps and a three-season patio door that swings out over the ramp, to make loading and unloading a breeze.

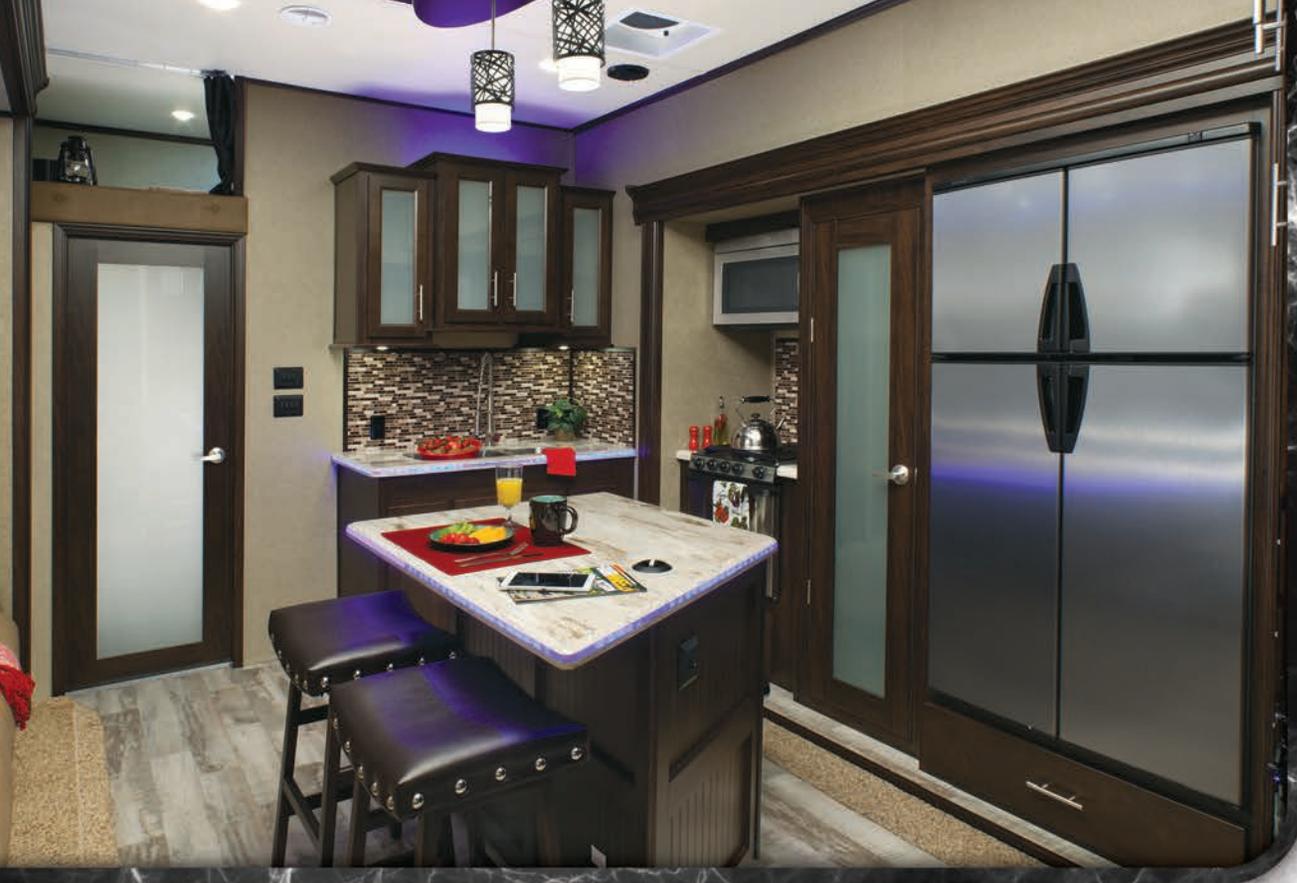

Heavy-duty 5,000 lb. steel reinforced tie-down system secures cargo.

415AMP

Privacy rocks.

Thunderbolt offers the added convenience of the optional cargo bath upgrade, a separate three-piece second bathroom to reduce tracking the outdoors - indoors.

XLR

THUNDERBOLT

Go Big. Go Bold. Go XLR!

Outdoor enthusiasts, family vacations, sporting events or off-road adventures... the possibilities are endless. Even better, Thunderbolt's flexibility offers years of luxury living as your interests evolve and change.

355 AMP

*This NEW model is a great choice for entertaining. **Sleeping or storage?** Kids look forward to sleeping and playing in this clever loft with a 40" mattress. It's prepped for TV, and the ladder stows out of the way in the garage.*

Serve a tempting buffet style dinner or play a competitive game. The 50" LED TV and modern ceiling medallion accented with blue lights set the tone for good times. There's a 12 cu. ft. stainless steel, gas/electric refrigerator freezer, a residential microwave, three-burner stove with a front high output burner and a 22" oven, plus an amazing floor to ceiling pantry – all standard! Birch plank-style Beauflor flooring contrasts beautifully with the rich Espresso woods throughout the coach. Solid wood treaded steps add safety.

This plush walk-around queen bedroom suite has a full 80" bed with one of the most comfortable mattresses in the industry. His and hers mirrored wardrobes, night stands, reading lights and designer wall sconces add a residential touch. There's even a USB charger for your smart phone or tablet! Shown in Saddle decor.

420AMP

Kick back, relax and get comfortable. This NEW floorplan has it all! Cozy up by the electric fireplace with an efficient infrared heating system, while enjoying sports and movies on an oversized LED TV with blue accent lighting. Enjoy the view! The sliding glass door opens to the standard side fold-down patio deck. It's a nature viewing platform, a party deck or a quiet morning retreat.

420AMP Thunderbolt amps up for expanded outdoor living with two versatile patio decks – one in back, plus another on the side! It's easy to access the living room, or pass through the second bathroom to the side deck. A standard cordless Dyson vacuum system makes clean up quick and easy. The garage stereo controls the outside speakers. Washer/dryer prep is standard.

420AMP

This loaded kitchen has a residential microwave, easy-to-clean backsplash, three-burner stove with a front high output burner and 22" oven. The slideout features oversized windows equipped with black out roller shades. Stock up with the optional 110V, 18 cu. ft. stainless steel, residential side-by-side refrigerator with a roll-out bottom freezer.

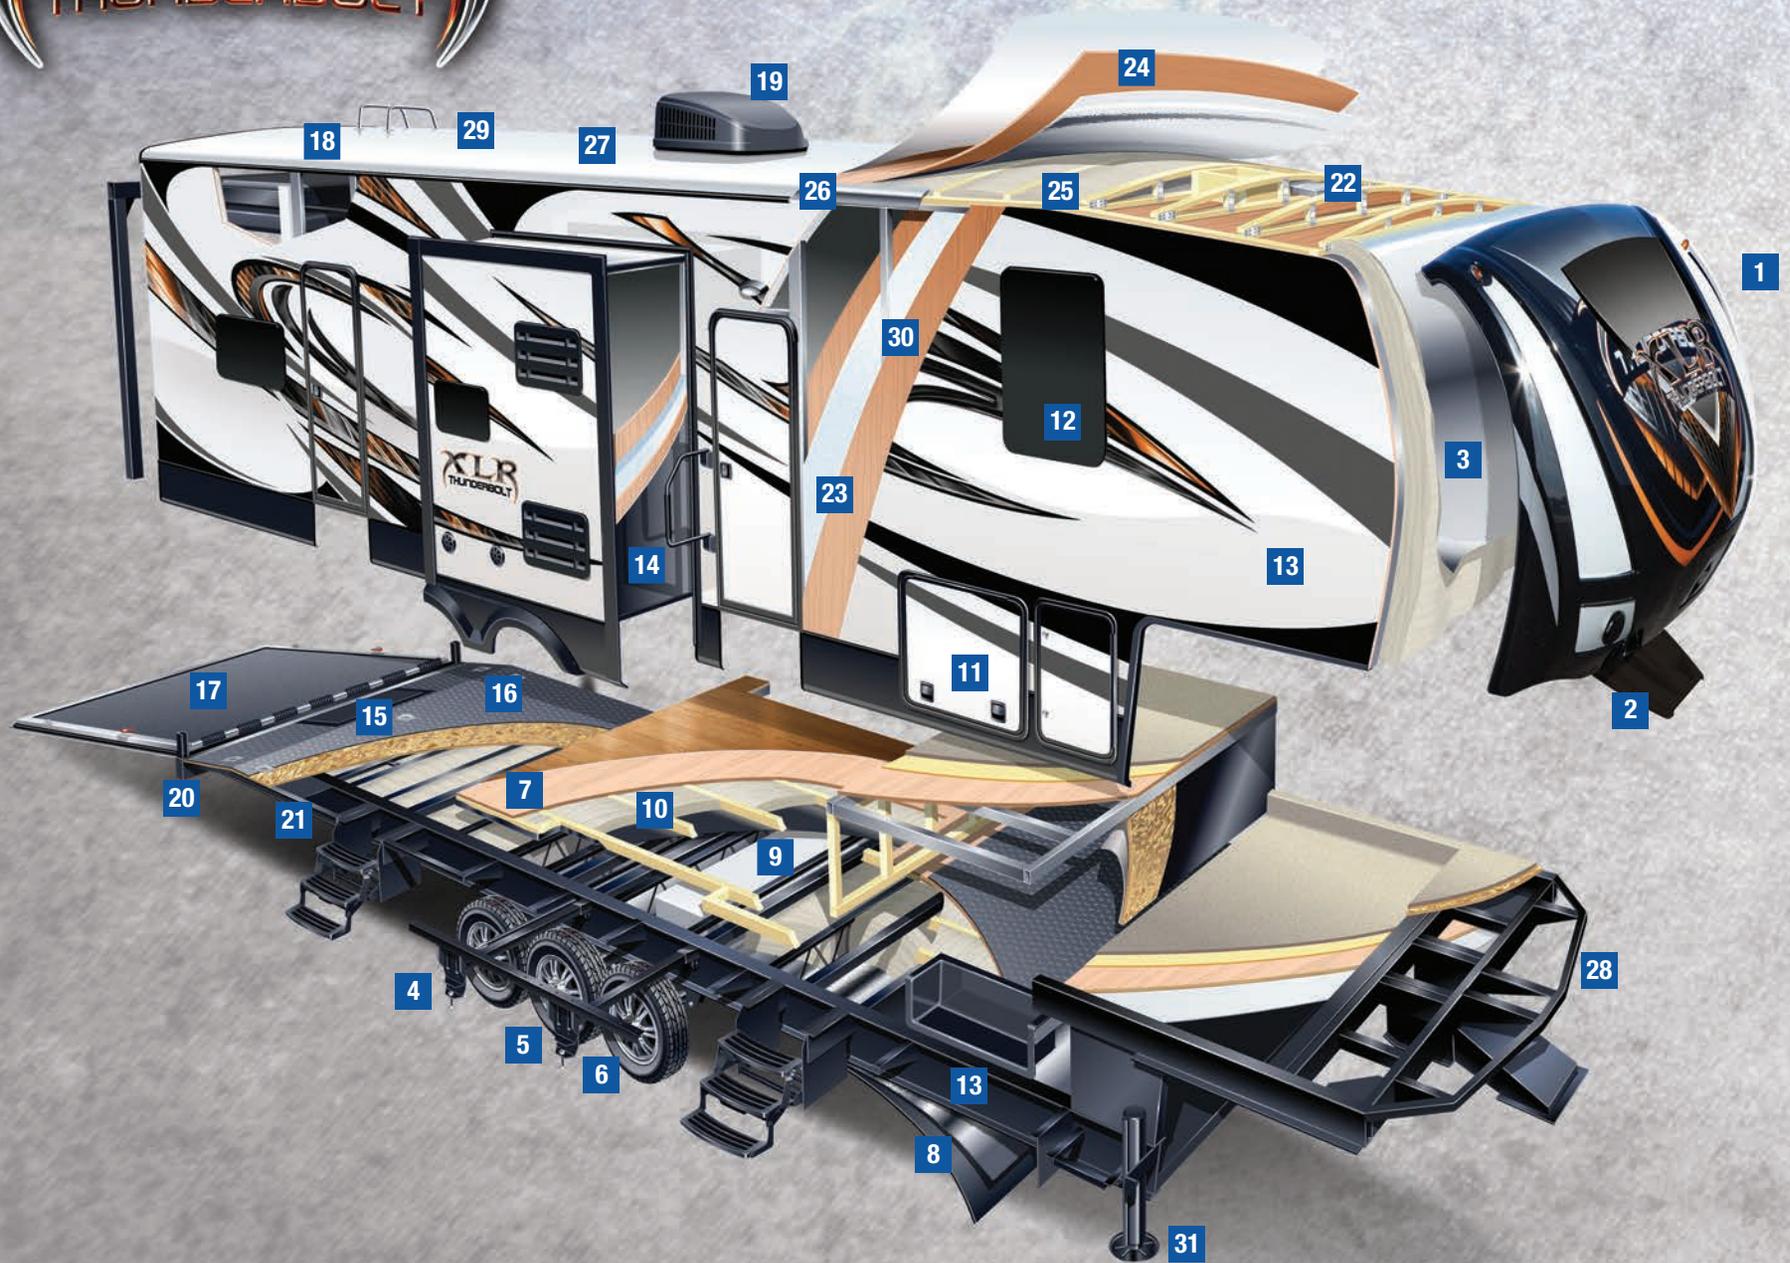

420AMP This spacious residential 80" Queen size bedroom features an en suite master bathroom and a central entertainment center with a storage shelf, and large cabinets to hold electronics, movies and more. Cool blue accent lights in the radius shower join design with contemporary functionality. The bath can be accessed from both the bedroom and the hallway. Saddle decor shown.

XLR THUNDERBOLT

Construction

XLR Thunderbolt puts the power at your fingertips

YOUR THUNDERBOLT DEALER

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.
