

SIERRA

SIERRA

LUXURY FIFTH WHEELS

"IN WILDERNESS LIES THE HOPE OF THE WORLD" -John Muir

DARE TO COMPARE

SIERRA'S TOP 10 INTERIOR FEATURES

- 1 All Interior Lights are LED (cooler, brighter & less electrical draw)
- 2 Livingstone Solid Surface Kitchen Countertops (beautiful & durable)
- 3 20 cf. stainless steel refrigerator (with Ultimate Package) includes 1,000 watt inverter and battery disconnect and it has an ice maker)
- 4 An "EZ-Breeze" Fan is in every main bathroom along with a "Swirl-Flush" porcelain toilet, heat and A/C vents and a night light.
- 5 "Soft Close" Full Extension cabinet drawer runners (higher end drawer guides just like home)
- 6 "Stone-Cast" Kitchen Sink (can withstand up to 500 degrees, scratches can be buffed out & it will not rust like the Cheap Import stainless steel sinks)
- 7 Serta Memory Foam Mattress (conforms to your body)
- 8 LED TVs, a Sound Bar & DVD Player
- 9 Dual Zoned, Quiet Cool Air Conditioning (comfort throughout the camper)
- 10 "Flush Floor" Hydraulic Slides in the main living areas (this is huge, hydraulic slides are faster and trouble free.

SIERRA'S TOP 10 EXTERIOR FEATURES

- 1 32" x 76" Entry Door (the largest in the industry)
- 2 Screen Door is recessed for 1/8" Plexiglas insert
- 3 Friction Hinge Entry door, no plastic hold-backs to break. Door can withstand up to 25 MPH wind gusts when open.
- 4 Exterior Spray Port with 25' coiled hose & spray nozzle on door side of camper
- 5 A&E 2100 Series Power Awning with LED the length of the awning (it's the fastest extend & retract available)
- 6 Dexter 7,000 lb., 8 Lug Axles with "Nev-r-Adjust" brakes
- 7 Exterior Speakers are mounted low (the higher the speaker, the higher the volume has to be to hear it)
- 8 A Metal Band between the exterior fiberglass and the bottom skirt is mechanically fastened (unlike our competitors that use a glued on rubber strip that mold can grow into)
- 9 Insulated luggage doors with Slam Latches on most doors
- 10 Laminated / Insulated Upper 5th Wheel Floor Deck (adding to the efficiency of the furnace & comfort in colder weather)

SIERRA

OPTIONAL TILE LOOK LINOLEUM

OPTIONAL TILE LOOK LINOLEUM

SHOWN WITH OPTIONAL HIDE-A-BED

371REBH

PEBBLE INTERIOR

The 371REBH offers the best of both worlds. With both a rear living and a bunkhouse fifth wheel wrapped up into one pleasing functional floorplan. It will be hard to find a floorplan that offers this much living space and the availability to give your guests or the kids their own bedroom. Also, this unique floorplan boasts a full walk in shower with seat and an optional king size memory foam mattress.

377FLIK

MERLOT INTERIOR

The 377 FLIK or front living, gives more than enough room in the upper deck to entertain. With two pull out hide-a-bed sofas and a theater seat, it has seating for the entire family to enjoy the 50" flatscreen TV. Also cooking a meal turns from a chore to a fun activity with a large island kitchen for food preparation, and full slide pantry to store all the essential ingredients.

378FB

CARBON INTERIOR

The 378 FB offers one of the largest bathrooms in the industry. As you walk through the master bedroom you enter a bathroom that includes a full walk in shower with stool, his and her sinks, stackable washer and dryer closet, and a full wardrobe with shoe closet to hang all your camping apparel. Also note that there is an option to add a full walk in pantry on the main level in place of the half bathroom that comes standard. This unit also comes standard equipped with an outside kitchen which is essential for all outdoor activities.

High rise faucet with undermount sink and pull out sprayer.

The upgraded and intricately detailed slide-out fascia.

Optional theater seats in place of recliners.

Full extension, soft close ball bearing drawer guides.

The fireplace warms and is a great focal point for the living area.

SIERRA's control center allows you to monitor tanks and other systems quickly and easily.

Serta™ Memory Foam mattress is a Forest River exclusive feature.

Flatscreen LED HDTV with premium soundbar and DVD player.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

SIERRA

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
