LIGHTWEIGHT FAMILY FUN
SLEEPS UP TO 10 PEOPLE!

The Shadow Cruiser line is all about family fun! Many of its popular floor plan models feature unique bunkhouse designs for the convenience of sleeping up to 10, yes 10! You'll love how easy these lightweight travel trailers are to tow as well. Because of their aluminum-framed construction, laminated walls and aerodynamic front caps, they are towable by a half-ton truck vs. the heavy-duty vehicles many other RVs require. And did we mention they are affordable even to the budget-minded consumer?

Standard Features

- LED interior lighting
- Block foam insulation
- Laminated sidewalls, rear wall and slide out walls
- Residential-style free standing furniture with top-stitching
- 6'11" vaulted ceiling
- Dual ducted 13.5 BTU A/C

Your Local Cruiser RV Dealer:

MADE IN THE U.S.A.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Cruiser RV's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Cruiser RV has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Cruiser recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Cruiser RV products. Cruiser RV disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Cruiser RV's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
