# THE HIGHLAND ASSURANCE

The Highland Assurance is our promise to quality and innovation. It's building RVs that are rooted in the needs and suggestions of our customers. Most importantly, it's about giving you the assurance of an enjoyable trouble-free RV experience. But even if there is trouble, we've got your back.

We stand behind our product, one owner to the next. At Highland Ridge RV, we are one of the few manufacturers that have a 2-Year Limited Transferable Warranty.

## MORE ROOM LESS WEIGHT

This is our mission at Highland Ridge RV. It drives us to innovate and revolutionize the RV industry and it's why our products are 10 - 15% lighter than the competition.

We are pursuing perfection through innovation and quality. Our process starts with you! Your RV experiences drive the evolution of our products in a constant state of improvement.

Every new Highland Ridge RV design must undergo a grueling 500 mile durability test. A battery of figure eights, inverted chatters, undulations, and staggered bumps will test and prove our workmanship.

Highland Ridge RVs are built to withstand the harshest of environments. We put our products into a zero degree chamber for five hours. The results speak for themselves.

**THE RESULTS**

BEDROOM	72°F
KITCHEN	70°F
SLIDE-OUT	66°F
BATHROOM	72°F
LIVING ROOM	70°F
