PREMIUM FEATURES THAT WORK FOR YOU!

MAX THERMAL INSULATION

Four types of insulation

Live comfortably in practically any weather. Your Denali's Thermal Insulation Package is stocked with four types of insulation — fiberglass batten, block foam, expandable foam and FlexFoil blanket insulation — all of which make heating and cooling a breeze.

AERODYNAMIC FRONT CAPS

Featuring LED lighting

Our painted fiberglass and clear-coat front caps, are less likely to fade or oxidize over time compared to our competitors, giving your Denali a high-end look for years to come.

ELECTRIC AWNING

Boasting LED light strip

Denali always gives you more. Unlike other manufacturers, our easy-to-use electric awning with LED light strip comes standard in all Denali units. It provides a cool and comfortable shade, doubles as a windbreaker and adds more light to evenings spent outside your RV.

AFFORDABLE LUXURY

Dutchmen—A North American Campground Classic

Few manufacturers have built RVs for 25+ years, and only one has set the standard for innovation AND value. Dutchmen **IS** “A North American Campground Classic.”

Dutchmen[®]

Legendary Innovation. Trailblazing Value.

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” **We’ve built a reputation for bringing RV owners more standard features for less money** for more than 25 years... and it’s a reputation we plan to keep.

300

STRONG

NATION WIDE DEALER NETWORK

More than 300 Dutchmen dealers across North America and our industry-leading service center in Goshen, Indiana, combine for your peace of mind before, during and after the sale. Rest assured no matter where your travels take you, **the best-resourced RV manufacturing company in the world is behind you all the way.**
