PUMA
BY PALOMINO

Always an adventure...

30RLIS Premier Edition

This convenient, entertainment friendly Premier Edition package option is loaded with "open concept" styling. The kitchen features a spacious island equipped with an undermount, double-bowl sink, a pull-down gooseneck faucet and Living Stone solid surface countertops. Stainless steel appliances, a decorative backsplash, plus Espresso raised panel cabinet and refrigerator doors add residential appeal. LED lights highlight plush furnishings throughout the living spaces. The rack and pinion flush-floor slide out adds head room. Shown in Sand decor with optional theater seating Beauflor® tile flooring.

PUMA

by PALOMINO

30RLIS Premier Edition

Whatever your travel lifestyle, there's an easy to tow Puma model for you. Puma floorplan configurations are designed with convenient features to make the most of leisure living – including a variety of kid's bunk room models.

The 30RLIS features generous linen storage, a residential style vanity with medicine cabinet, plus a glass door shower with a seat and skylight.

30RLIS Premier Edition

This stylish upgraded slide out galley/entertainment center is shown with an Espresso wood panel 8 cu. ft. double door refrigerator, an extra large pantry, plus an easy to clean glass stove cover. Kick back and relax with a Soundbar, equipped with DVD/CD Bluetooth technology. Durable, abrasion resistant surf(x)® 3D laminates provide a long-lasting "like new" appearance and years of use. Bright, inviting LED lighting and smooth rack and pinion flush-floor slide rooms add to the open feel. Shown in Sand decor and Beauflor® tile flooring with these options: a 39" LED TV and a fireplace with faux stone insert.

The 30 RKSS bath features a spacious linen closet, a glass door 30" x 48" shower with a seat and skylight.

This spacious flush-floor slide out features a large radiused booth dinette, angled, overhead cabinets and a plush, tri-fold sofa that converts to an additional sleeping area. Designer valances are shown with optional night shades.

30RKSS

Now you're cooking with plenty of counter space, a glass stove cover, a large 60/40 undermount sink and a built-in spice rack. Sleek black kitchen appliances include a large oven and a 6 cu. ft. refrigerator/freezer. Large picture windows let in plenty of fresh air and natural light. Chocolate decor with Vagabond cabinetry and Beauflor plank flooring (with a 7-year cold crack warranty) shown.

PUMA

by PALOMINO

Puma is constructed with durable, abrasion resistant surf(x)[®] 3D laminates throughout, for a long-lasting "like new" appearance. A handy built-in spice rack saves cabinet space. All Pumas are equipped with a centrally located multiple switch panel that controls the slides, interior lights, exterior porch light, water pump, water heater, and monitors battery and tank capacities. The corner entertainment center has an AM/FM/CD/DVD/Bluetooth stereo with sound bar and provides a great view from any vantage point. The 39" LED TV is an available option.

297RLSS

This popular model has standard push-back recliners and an extra large picture window. Shown with Vagabond cabinetry in Mist decor with optional night shades.

Destination Trailers

Puma offers Seven Destination Trailer floor plans.

39BHT

Experience the perfect vacation home. Puma Destination Trailers offer comfortable living with seven spacious floor plans, and a choice of two bedroom and den options for a private retreat. Residential style furnishings and a large master bedroom with king size bed give a well appointed feeling of home. Vagabond cabinetry shown with Prairie decor.

All Destination models include a large, California king sized bed.

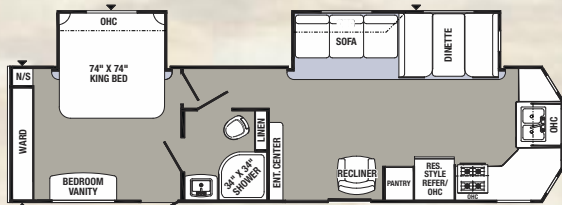

The 39BHT features a standard double bunk slide out with an optional tri-fold sofa.

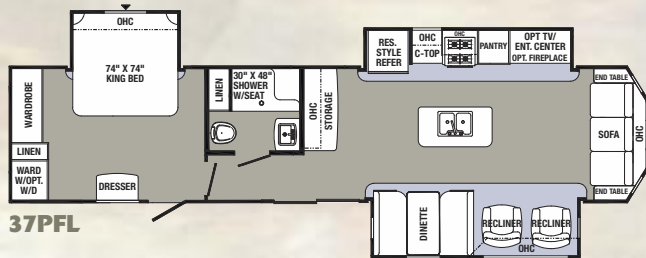

39BHT

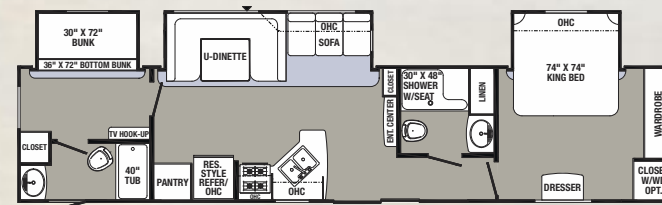

The 39BHT features a 18' flush-floor slide out with large bay windows that let in plenty of natural light. All Puma Destination trailers include a four burner residential range with a pull-out broiler pan, a 16 cu. ft. refrigerator with an ice maker, and exceptional counter space. Shown with Vagabond cabinetry in Prairie decor with these options: Beauflor® tile flooring, a free standing dinette with four chairs, and a ceiling fan.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated average based on standard build optional equipment. **Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
