FLOOR PLAN OPTIONS

DISCLAIMERS

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
 - GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 - GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
 - Length measured from front bumper to rear bumper (excludes accessories).
 - Excludes safety equipment and awnings.
 - Motor homes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 - Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

* UVW and OCCC are found on the label containing the federal certification tag in each RV.

WHY FLEETWOOD?

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Trust

More people trust Fleetwood RV. After all, we've spent over 60 years perfecting motorhomes, earning the loyalty of generations of RVers.

Passion

We're truly passionate about the RV lifestyle. Fleetwood RV was founded by RV enthusiasts, and that tradition continues today.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motorhomes to give you more peace of mind.

Service

Help is nearby with 24/7 emergency Fleetwood RV Trusted Roadside Assistance* And when you need an upgrade or repair, you'll find Fleetwood RV dealers all across North America ready to assist you.

Warranty

Exclusive RV OwnerCare** warranty.
See your Fleetwood RV dealer for details.

*All 2016 Fleetwood RV Motorhomes include a 1-year emergency roadside assistance membership. For complete info, see your Fleetwood RV dealer.

Visit FleetwoodRV.com.

RV OWNERCARE**

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided by a company that will be around in the future to service your needs. See your nearest Fleetwood RV dealer for a full explanation of benefits and restrictions.

FLEETWOOD MOTORHOME ASSOCIATION

As a Fleetwood RV owner, you're invited to become a member of the Fleetwood Motorhome Association (FMA). Becoming a member is the perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Visit the FMA website at www.fma4fun.org to learn more and join the fun.

CONTACT US

To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-322-8216. We can also be contacted at Fleetwood RV Customer Relations, P.O. Box 1007, Decatur, IN 46733.

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood RV dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood RV has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
