WHEN YOU KNOW THE DIFFERENCE SM

MATT UTLEY
VP of Service Operations

“As a member of the Newmar service team for the past 20 years, I am committed to using honesty and respect to establish meaningful relationships with our customers. As the owner of a new Bay Star Sport or Bay Star, you’re a part of the Newmar family. And we want you to know that should you ever have a problem or concern, we’re here to help 24/7. Our goal is to provide you with what we call “Seamless Service,” and I am confident you will find the support you receive to be refreshing and exemplary.”

WHEN YOU KNOW THE DIFFERENCE SM

AN EXTRA HELPING OF AMENITIES

Presenting a kitchen that caters to your every need. Solid-surface countertops – complete with a handy pull-out counter* – are surrounded by stylish cabinetry and a beautiful brick-patterned backsplash. Added versatility comes in the form of a multi-functional dinette that can be stored and used as a seating area, while a roomy pantry helps you store all of your kitchen supplies.

72" Bunk Beds - Floor Plan 3004

THE ONE FOR ALL

New for 2016, floor plan 3004 outfits Bay Star Sport with bunk beds for the very first time. Children and adults alike can sleep soundly on a pair of lengthy 72" mattresses located inside of a full-wall slide.

Each bunk space features its own private reading light and provides occupants with a set of drawers and individual windows. An optional folding Hide-a-Bed sofa adds incredible versatility, the kind that lets you enjoy some quality rest and relaxation before providing your guests with a comfortable place to spend the night.

Optional Folding Hide-a-Bed Sofa

RELAX AND RESTORE

The perfect restful respite, Bay Star Sport's master bedroom welcomes you with a full queen bed, plush pillows and stitched headboard. Virtually everything in sight – from the dressers to the ultra-accommodating wardrobe – features Newmar's gorgeous new Astoria Maple wood finish.

Accented by fresh new fabrics and brushed nickel hardware on all drawers, you'll feel right at home no matter how far you travel. You can even enjoy crystal clear picture and sound without disturbing the rest of your passengers thanks to an optional LED TV that can be shielded from the rest of the coach.

Dual-Vanity Wardrobe with Brushed Nickel Hardware

ANYTHING BUT BASIC

While the bathrooms inside many gas-powered coaches leave much to be desired, the 2016 Bay Star Sport greets you with a solid-surface vanity that encompasses an all-new stainless steel sink. An overhead skylight bathes you in sunlight from the moment you step inside the shower. What's more, storage is everywhere you look, including the newly raised base cabinet and hallway linen closet.

BAY STAR SPORT CONSTRUCTION & CHASSIS SPECIFICATIONS

Like a fine home, the 2016 Bay Star Sport gas motor coach is framed 16 inches on center, allowing the best placement of outlets, switches and other components. Newmar uses only Sikaflex® elastic adhesive throughout Bay Star Sport's construction – one of the strongest bonding agents available. It seals against

air and water and helps dampen sound and vibration. Electrical wiring holes in Bay Star Sport's aluminum frame are ringed with plastic grommets to protect wires from chafing. And Newmar's Total Comfort™ Central Air is two separate, fully-ducted systems that distribute cool air and remove warm air.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired by Newmar, free of charge. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floor plans are subject to change at Newmar's discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
