KEVIN BOGAN

Vp Of Manufacturing, Newmar Corporation

“As VP of Manufacturing, I oversee individuals who have spent an average of 12 years with Newmar. This level of experience is critical to maintaining the degree of quality required for a product to don the Newmar badge. Every Newmar coach is built one at a time, undergoing well over 1,000 quality inspections while moving through our assembly line. After a unit is completed, it then moves on to what we call the “Customer Quality Inspection.” When we implemented the CQI process, we doubled the amount of time spent performing a final inspection on each coach. Why? It’s simple: Because our customers deserve the best.”

THERE’S NOTHING ENTRY-LEVEL ABOUT IT

Save for its incredibly affordable price, the 2016 Ventana LE is far from the cut-rate coaches that sacrifice features and quality in an effort to appeal to first-time diesel buyers. In fact, Ventana LE continues to represent the industry’s best diesel-powered value, delivering the kind of standard amenities and unparalleled craftsmanship RV enthusiasts have come to expect from Newmar.

To start, every 2016 Ventana LE is supported by Newmar’s latest engineering breakthrough – the all-new STAR Foundation, which adds strength and durability to an already stout Freightliner® chassis. Showcasing reimagined styling both inside and out, Ventana LE touts taller, stainless-steel accented front and rear caps. A new tight-seal front entry door with full-length hinge delivers a quieter ride while a refreshed instrument panel comes equipped with a custom-tuned, 6-speaker JBL® premium cockpit audio system.

Mirage Décor with Full-Tile Flooring - Floor Plan 4044

INCREDIBLE LOOKS. IRRESISTIBLE LUXURY.

From the moment you step inside the 2016 Ventana LE, you know you're in a Newmar. An all-new Mirage décor pairs with an upscale patterned backsplash and solid-surface countertops throughout, setting a stylish tone that is further elevated by handcrafted Sienna Maple Glazed cabinetry.

Designed to encourage rest and relaxation, Ventana LE offers a plush recliner and roomy 87" Flexsteel® Deluxe leather jackknife sofa that delivers an ideal view of the VIZIO® LED TV with Televator.

**Exact features and configuration specific to floor plan 4044*

REST EASY. SLEEP SOUNDLY.

Choose the diesel-powered Ventana LE, and not only are you free to explore the world in all of its glory, you're able to enjoy all of the comforts that come with owning a Newmar. Comforts like a King bed* with a smooth-top mattress, quilted bedspread, bed scarf and accent pillow.

Of course, deluxe sleeping quarters would not be complete without quality amenities like overhead cabinetry and a full wardrobe with room for an available stacked washer and dryer.** Once your day reaches its final conclusion, a standard LED TV with DVD player makes it easy to lie back and unwind.

A SWEET ESCAPE

When your master bathroom is furnished with an under-mounted his and hers stainless steel sink, solid-surface countertops and a glass-door shower with skylight, every day is an opportunity to treat yourself. Just steps away, a mid-cabin half-bath* with vessel sink and oversized mirror makes it easy to accommodate friends and family.

DESIGNED FOR ADVENTURE. ENGINEERED FOR LIFE.

Driven by a heavy-duty Freightliner® chassis, the 2016 Ventana LE is more than ready for the road ahead. Ventana LE features Newmar's all-new STAR Foundation, engineered to enhance chassis durability while raising exterior storage compartments by 2", thus increasing space while providing easier access.

When it comes to looks, the 2016 Ventana LE is at the top of its class. Dressed in the industry-renowned Full-Paint Masterpiece Finish®, Ventana LE comes standard with Carefree® of Colorado power side and entrance door awnings.

CONSTRUCTION & CHASSIS SPECIFICATIONS

LIKE A FINE HOME, Ventana LE is framed 16 inches on center, allowing the best placements of outlets, switches and other components. Newmar only uses Sikaflex® elastic adhesive throughout Ventana LE's construction – one of the strongest bonding agents available. It seals against air and water and helps

dampen sound and vibration. Electrical wiring holes in Ventana LE's aluminum frame are ringed with plastic grommets to protect wires from chafing. And Newmar's Total Comfort™ Central Air is two separate, fully ducted systems that distribute cool air and remove warm air.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

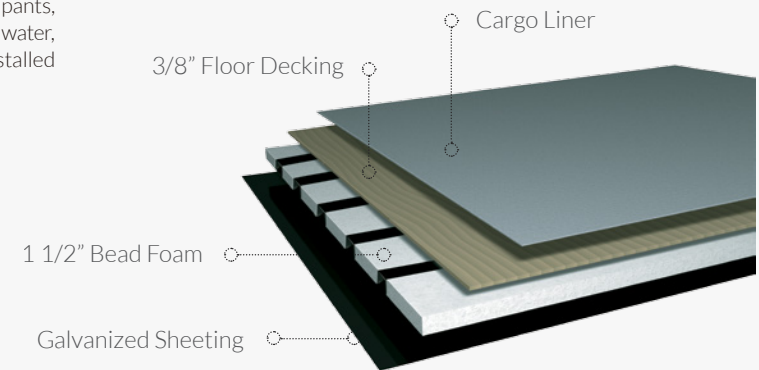

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, wastewater, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

VENTANA LE

NEWMAR EXPRESS LIMITED WARRANTY

Every Ventana LE diesel motor coach is backed by Newmar's one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floor plans are subject to change at Newmar's discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
