## ICE FISH IN THE COMFORT OF A TRUE NORTH ICE LODGE!

*Fish easy.*

The Wildwood True North Ice Lodge travel trailer interiors feature a tough guard non-slip rubber flooring and are finished with rustic cedar paneling. Braving the cold will be easy with the 20,000 BTU furnace. All models have a one touch motorized 12v, 3-point electric lift system. Most models have a fold-down bunk bed. (Per floorplan.)

### EXCELLENT CRAFTSMANSHIP

Our skilled craftsmen have years of experience building beautifully finished RVs. Forest River, started building RVs in 1996 and today is the **number one producer of travel trailers in the world.\*** Wildwood has been part of that since the beginning.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
