SELECTSHIFT® 6-SPEED AUTOMATIC TRANSMISSION

Designed for low-end acceleration and high-end efficiency.

POWER 4-WHEEL DISC ANTI-LOCK BRAKES

Maintains brake balance in heavy use and varying road conditions. Reduces wheel lock up and helps maintain superior steering control.

LIMITED WARRANTY

The Ford® Motorhome Chassis has a Bumper-to-Bumper Limited Warranty for 3 years or 36,000 miles and a Powertrain Limited Warranty for 5 years or 60,000 miles, whichever comes first.

INDEPENDENT FRONT SUSPENSION

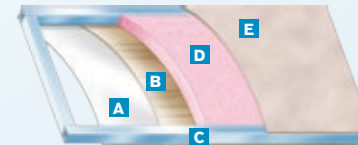

Provides a comfortable ride by allowing the front wheels to work independently of each other, reducing driver stress.

Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure maximum strength.
