

Introducing the Limited Edition Pendleton travel trailer. In honor of the National Park Service Centennial, Airstream will be making only 100 of these magnificent trailers. The travel trailers were designed in collaboration with Pendleton Woolen Mills to honor our National Parks and pay homage to the long history we all share. For every limited edition travel trailer sold, Airstream will also make a \$1000 donation to the National Park Foundation, the official charity of America's national parks, to help protect and preserve the land we all love so much.
