THE FUTURE OF CAMPING | pure and simple.

LAUNCH & ULTRA LITE SERIES TRAVEL TRAILERS

CELEBRATE THE LIGHTEST OF LIGHTWEIGHTS **LAUNCH**

27BHU with Pebble interior.

27BHU bathroom.

27BHU

STANDARDS.

An electric power awning with LED light is standard on Launch and Launch Ultra Lite models. You'll find many standard features that are options on other brands.

THE ULTIMATE IN COMFORT.

Pillow Top Denver Mattress® comes optional in our Elite Package and cradles your pressure points.

UFO

UNBELIEVABLE FEATURES & OPTIONS.

STARMAXX™ PASS-THRU SYSTEM.

All Launch Ultra Lites come with a well-thought-out front storage compartment we call StarMAXX. It's an integrated pass-thru area featuring many exclusive and convenient items!

TOYLOK® FEATURE.

Part of the StarMAXX storage package, this built-in lock is a smart idea.

33% MORE STORAGE.

Features TPO rubber floor material, tie-downs and a battery disconnect.

BACKUP CAMERA.

The prep and wiring is standard on our Ultra Lite series. And this wireless backup camera is a great option.

OUTSIDE SHOWER.

Another awesome standard on the Ultra Lite series is this docking station with hot and cold water and a flexible wand and shower head.

ALUMINUM WHEELS.

Dress up your Launch travel trailer with these modern aluminum wheels. They are an affordable option to add value and styling to your trailer.

SPACE AGE CONSTRUCTION FEATURES.

For over 50 years Starcraft RV's reputation has been built around top-quality products. Each is designed to provide years of trouble-free use. Backed by a 2-year limited warranty, our innovation and quality start with a solid foundation. Compare and you'll see just how much care and meticulous attention to "doing it right" goes into every Starcraft.

SEE THE FULL COMPARISON ONLINE AT STARCRAFTCAMPING.COM

US 4,500 lbs. on a Starcraft roof!

THEM Same weight on a competitor's style roof.

US Vertical wood studs for added support.

THEM Little aluminum brace, if that.

US We use large oversized nail plates on both sides.

THEM They use smaller and only on one side of truss.

STRONGEST ROOF EVER!

Strength is one of the basic principles of engineering; the stronger something is built, the longer it will last. At Starcraft, we understand strength comes from within, which is why we focused on the smallest of details when constructing our exclusive Magnum Roof System. From sturdier vertical studs to 7" header beams, we pride ourselves on staying at the top of our game—building stronger products that last.

Our optional Climate Package extends your camping season and provides protection against cooler temperatures with its insulated, heated and enclosed underbelly.

Using TuffShell™ vacuum-bonded lamination, our walls combine welded aluminum framing, fiberglass sidewalls and metal backers, ensuring your camper can handle the toughest conditions.

LAUNCH 7' WIDE LIGHTWEIGHT TRAILERS

LAUNCH (7' WIDE)

Our affordably priced, but not under equipped, Launch series models are loaded with great camping value and quality. This is RVing simplified. They can be towed with a small-to mid-sized SUV or minivan for your ease and convenience. You'll find floorplans featuring expandable tent rooms for maximum space yet compact towing. All of our 7' wides are under 4,000 lbs.! Best of all, each model offers all of the comforts of home. Each is backed by Starcraft's quality reputation, an industry-leading 2-year warranty, and a nationwide dealer network.

LAUNCH. THE FUTURE OF CAMPING JUST GOT BRIGHTER!

LANDED IN 1964. Starcraft is one of the oldest and most respected names in the RV industry. In fact, we've been around since 1903. Back then, we made our name building livestock tanks and other metal farm equipment. In the 1920's, we added a variety of boats to our product lineup. And in 1964, we entered—and revolutionized—the modern camping industry.

2-YEAR WARRANTY. The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for 24 months from the original date of purchase against defects in materials and workmanship. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

GET MORE OF WHAT YOU NEED IN CYBERSPACE. Explore more Starcraft RVs by visiting our world-class website. This advanced, digital-age-friendly site offers more product photo galleries, construction information, videos, the latest floorplans, specifications and other great features to assist you. Find your closest dealer, customer service info and more!

STARCRAFTCAMPING.COM

ROADSIDE ASSISTANCE. Travel worry-free with the complimentary one-year Roadside Assistance program through a third-party provider, which gives you immediate access to dependable roadside assistance with a simple phone call. Check with your local dealer to learn more (available at participating dealers).

ECO advantage™

SAVING THE PLANET. The Starcraft EcoAdvantage™ is our company's commitment to protecting the environment. Through smart sustainability efforts, we're creating better ways to build better RVs using fewer or renewable natural resources. This is our commitment to you—to build a better RV so that we can do a better job of protecting our planet. Learn more at StarcraftCamping.com/EcoAdvantage.

FOR INTELLIGENT LIFE
FOLLOW US ON:

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment. 01/16
