Just because you don't have a full size truck doesn't mean you can't have a slide-in truck camper. Standard features include a refrigerator, 2 burner stovetop, sink, and other optional equipment available.

### 610R

You want a WHAT with a WHAT!? That's right finally a mid-sized truck camper with an indoor shower. The 610R is the second truck camper designed to fit most "mid-sized" pickup trucks. This model has all of the amenities of the 690FD plus a shower and water heater.
