## SETTING THE *Standard*

Meticulously designed, precisely engineered and lavishly appointed, Essex is the first Class A motor coach to offer true residential luxury. For 2017, Essex presents a magnificent respite brought to fruition by glazed hardwood cabinetry with full-overlay doors, an available 50"x34" full-tile residential shower and new 8"x48" polished porcelain plank tile that expands to cover each slideout. In other words, Essex is still miles ahead of the competition.

With Essex, playing Captain doesn't mean leaving first-class. Spend time behind the wheel and experience spectacular sound from a custom-tuned JBL® cockpit audio ensemble. Curious about your surroundings? Turn to the standard Rand McNally touchscreen navigation system with available passenger display. Once you arrive, take a moment to relax with help from a Blu-ray/DVD player and a Bose® CineMate home theater system.

## LUXURY ON *Command*

Perfect for when the sun is shining bright, the 2017 Essex houses a standard Whirlpool® 19.7 Cf. residential refrigerator with enough space for all of your favorite refreshments. Speaking of space, you'll find plenty inside of an oversized hardwood pantry. Steps away, a high-polish countertop glistens below custom LED lighting, while the Delta Touch20® faucet turns on and off with a single tap.

True beauty exists in the details, which is why the Essex master bedroom comes adorned with a hand-carved backlit wood fascia and a diamond-patterned Ultra Leather headboard. Working in unison, a standard 40" Sony® LED TV with Blu-ray/DVD player and Bose® Solo surround sound system produce a theater-quality experience. You will even find a wireless charging station for your mobile devices atop each nightstand.

## GO AHEAD – *Indulge*

Every day is a spa day when you wake up in an Essex. A deluxe full-tile shower comes with a Fresca® multi-spray shower panel, fold-down seat and corner-mounted foot-prop. Round vessel sinks are custom-made to match the solid-surface vanity, while gorgeous new LED lighting is there to make it all come alive. And don't forget the Cathedral Ceiling, which adds six inches of headroom to every full rear bath.

A large motorhome is parked at night. The background shows a dark sky with some city lights and silhouettes of trees. The motorhome has a white and grey color scheme with decorative graphics on its side. The text '06 MOVE WITH Confidence' is overlaid on the left side of the image.
