## *Luxury* WITH A PURPOSE

Choose floor plan 4513 and begin each day inside of the L-shaped kitchen you've always wanted. Crafted to provide immense storage, every London Aire houses an oversized hardwood pantry with pull-out storage shelves and a 19.7 cu. ft. residential refrigerator. Hungry? The flush-mounted induction cooktop is now portable. And if it's a hurry you're in, a standard Whirlpool® convection microwave offers instant gratification.

Combining superior comfort and meticulous detail, the 2017 London Aire master bedroom is an incredibly accommodating work of art. An in-room touchscreen lets you take control of climate settings and more, while a restful night's sleep is easy to come by on a King Bed with handmade quilted leather headboard. Of course, the night owl in you will surely appreciate the 40" Sony LED TV with Blu-ray/DVD player.

When you have 600 horsepower at your disposal, you're going to cover a lot of ground. That's why London Aire is equipped with safety technology like Comfort Drive™ with Passive Steer and electronic stability control.
