

LIGHT SERIES

THE FIRST NAME IN CAMPING. THE TRUSTED NAME IN RVs.

LIGHT SERIES

The Outdoor Company®

THE FIRST NAME IN CAMPING

For more than 100 years, millions of people have trusted the Coleman name to help them thrive in the great outdoors. These all-new Coleman RVs deliver on that same reputation, packing more camping conveniences into one value-packed product! With multiple floorplans to choose from and a number of residential-style features throughout, the campground awaits you and your Coleman RV.

LIGHT LABEL, BIG FEATURES

Although this Coleman trailer bears the Light Series label, it's big on space and features. Expansive slideouts and 80 inches of interior height create all the room you need for a long list of amenities. In the kitchen, you'll find a microwave, double-door refrigerator, 3-burner cooktop stove, full-extension drawers and stainless-steel appliances.

SWEET DREAMS

The master bedroom features a 60x80 residential queen bed with dual LED reading lights. Drawers and full overhead storage maximize wardrobe space, while pleated night shades ensure you'll be well rested.

ROOM FOR ALL

Innovative floorplans, featuring select model bunk beds, convertible dinettes and sleeper sofas, let you sleep the whole family. Plus, the Coleman Light Series boasts standard, energy-efficient LED ceiling lights.
