HARDWOOD CABINETS.

Elegant honey-glazed cherry cabinetry features raised-panel design, modern handles and drawer pulls, and is pre-drilled and screwed together for optimum quality and longer lasting value.

RESIDENTIAL REFRIGERATOR.

This stainless steel residential-quality refrigerator (French door style with a 1,000-watt inverter) delivers quality and function. A 12 cu. ft. gas/electric refrigerator is optional.

WASHER/DRYER PREP STANDARD AND OPTION.

Solstice floorplans not only come with large bedrooms and wardrobes, but inside the master suite on these fifth wheels you'll find standard washer/dryer prep or add our brand name appliances as an option.

SPACE AGE DENVER MATTRESS®.

Our exclusive Denver Mattress® Euro-Top Sleep System® comes as a standard feature. This top-brand mattress cradles pressure points—feels like you're sleeping in zero gravity!

STARGAZER SKYLIGHTS & SHOWER.

A 60-inch oversized one-piece fiberglass shower with molded-in bench seat features dual shower heads, shelves and expansive twin skylights for star viewing by night, and brightness by day (most models).

OUR EXCLUSIVE 102"-WIDE CRAFT.

Almost all other fifth wheels stop at 96" widths. For the same price or less, we offer 102" widths standard. The extra space is evident in wider hallways and a more expansive living area!

364RKTS with Espresso interior.

377RDEN with Cappuccino interior.

Optional 72" x 80" King bed shown

CRAFTED FOR LUXURY. LOOK INTO IT!

SPACE AGE CONSTRUCTION FEATURES.

For over 50 years Starcraft RV's reputation has been built around top-quality products. Each is designed to provide years of trouble-free use. Backed by a 2-year limited warranty, our innovation and quality start with a solid foundation. Compare and you'll see just how much care and meticulous attention to "doing it right" goes into every Starcraft.

STRONGEST ROOF EVER!

Strength is one of the basic principles of engineering; the stronger something is built, the longer it will last. At Starcraft, we understand strength comes from within, which is why we focused on the smallest of details when constructing our exclusive Magnum Roof System. From sturdier vertical studs to 7" header beams, we pride ourselves on staying at the top of our game—building stronger products that last.

US 4,500 lbs. on a Starcraft roof!

THEM Same weight on a competitor's style roof.

US Vertical wood studs for added support.

THEM Little aluminum brace, if that.

US We use large oversized nail plates on both sides.

THEM They use smaller and only on one side of truss.

BETTER WEATHER PROTECTION.

Our standard Climate Package extends your camping season, providing protection against cooler temperatures with its insulated, heated and enclosed underbelly.

BUILT BETTER. Using TuffShell™ vacuum-bonded lamination, our walls combine welded aluminum framing, fiberglass sidewalls and metal backers, ensuring your camper can handle the toughest conditions.

SOLSTICE. THE FUTURE OF CAMPING JUST GOT BRIGHTER!

LANDED IN 1964. Starcraft is one of the oldest and most respected names in the RV industry. In fact, we've been around since 1903. Back then, we made our name building livestock tanks and other metal farm equipment. In the 1920's, we added a variety of boats to our product lineup. And in 1964, we entered—and revolutionized—the modern camping industry.

2-YEAR WARRANTY. The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for 24 months from the original date of purchase against defects in materials and workmanship. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

GET MORE OF WHAT YOU NEED IN CYBERSPACE. Explore more Starcraft RVs by visiting our world-class website. This advanced, digital-age-friendly site offers more product photo galleries, construction information, videos, the latest floorplans, specifications and other great features to assist you. Find your closest dealer, customer service info and more!

STARCRAFTCAMPING.COM

ROADSIDE ASSISTANCE. Travel worry-free with the complimentary one-year Roadside Assistance program through a third-party provider, which gives you immediate access to dependable roadside assistance with a simple phone call. Check with your local dealer to learn more (available at participating dealers).

ECO advantage™

SAVING THE PLANET. The Starcraft EcoAdvantage™ is our company's commitment to protecting the environment. Through smart sustainability efforts, we're creating better ways to build better RVs using fewer or renewable natural resources. This is our commitment to you—to build a better RV so that we can do a better job of protecting our planet. Learn more at StarcraftCamping.com/EcoAdvantage.

**FOR INTELLIGENT LIFE
FOLLOW US ON:**

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment. 01/16
