

SOLSTICE SUPER LITE

STARCRAFT

SOLSTICE

SUPER LITE

THE LIGHTER SIDE OF LUXURY.

EASIER TOWING WITH NO COMPROMISES.

Welcome to the all-new Solstice Super Lite, a luxury RV experience in a lightweight model you can tow with a half-ton truck. Plus, you can count on Starcraft for best-in-class construction and unrivaled attention to details. Smart, savvy and ready for anything — it's the lighter side of luxury.

28TSI WITH HICKORY INTERIOR

A Solstice Super Lite offers your choice of three spacious floorplans to meet your needs. The 28TSI shown here features an island kitchen and is big on entertainment, with theater seats, an LED HDTV, and a stereo with Bluetooth. An extra-large picture window enhances the experience in the dinette with optional table and chairs, and sandalwood maple cabinetry complements your choice of decor with contemporary style and quality craftsmanship.

27RLS WITH CAPPUCCINO INTERIOR

B The bedroom provides gracious comfort with a queen Black Label mattress, two night stands and a wardrobe with mirrored doors.

C Solstice Super Lite features the Smart Camping Technology Package 2.0 that allows you to control a number of the RV's systems from the convenience of a 5" touch screen or your smart phone. In addition, the package includes a Wi-Fi booster to help you stay better connected.

27RLS WITH CAPPUCCINO INTERIOR

D The contemporary styling continues in the kitchen, with black appliances, new countertop and backsplash designs and a high-rise faucet. It's all about maximizing space and efficiency, with pantry and drawer space, including our 75-lb. capacity drawers with full-drawer extension.

27RLS WITH CAPPUCCINO INTERIOR

E Highlights in the bathroom include a radius corner shower with glass shower doors, a porcelain toilet and a bathroom skylight.

TWO-YEAR WARRANTY

At Starcraft, we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

STRONGER BY DESIGN

At Starcraft, we've built a reputation for superior construction and quality craftsmanship, and our Magnum Roof System is a great example. Using state-of-the-art engineering techniques, a proven design and the highest quality materials, we've developed a roof that has tested to be 50 percent stronger than competitors' roofs. See the full roof comparison at starcraftcamping.com.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment. 09/16
