# LAUNCH GRAND TOURING

THE NEW  
ULTRA-LIGHT SUPERSTAR.

## ALL THE BELLS AND WHISTLES JUST GOT LIGHTER.

Introducing the new family-friendly Launch Grand Touring, with all the amenities you need to feel at home wherever you roam. Sleep up to eight with versatile floorplans, and take along everything you need in roomy wardrobes, pantry space and STARMAXX™ Pass-Thru storage. Launch Grand Touring is turning heads with bold new exterior styling and sophisticated interior decors. And when you take a closer look, you'll see the quality and workmanship that set us apart. It's all right here — better camping, brought to you by Starcraft.

**A** Launch Grand Touring welcomes you with a new contemporary interior featuring Warm sugar maple cabinetry with hardwood doors, black appliances and stylish kitchen backsplash and solid surface countertops. Flexible, innovative floorplans let you choose the furnishings to fit your lifestyle, including a trifold sofa, theater seating, bunk beds and more.

**B** The kitchen is all about stylish convenience with its deep stainless steel sink with high-rise pull-down faucet and 75-lb. capacity drawers. Whether you're preparing breakfast for four or a midnight snack, the three-burner range, oven and microwave are up for any culinary adventure.

**C** This cozy dinette comes standard, or you may select the table and chairs option. In either case, you'll enjoy a large picture window with pleated shades.

**D** The 319BHDS floorplan features a flip-up bunk bed with ultra-plush mats and Starcube sofa for versatile rear bedroom space.

**E** An outside kitchen is perfect for entertaining and includes a sink, refrigerator and pull-out burners. Exterior speakers let you enjoy the outdoors along with your favorite music, a ballgame or catching up with the news.

## TWO-YEAR WARRANTY

At Starcraft, we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

## STRONGER BY DESIGN

At Starcraft, we've built a reputation for superior construction and quality craftsmanship, and our Magnum Roof System is a great example. Using state-of-the-art engineering techniques, a proven design and the highest quality materials, we've developed a roof that has tested to be 50 percent stronger than competitors' roofs. **See the full roof comparison at [starcraftcamping.com](http://starcraftcamping.com).**

Extend your camping season with the standard Climate Package, featuring an enclosed, heated, insulated underbelly and additional roof and slideout insulation.

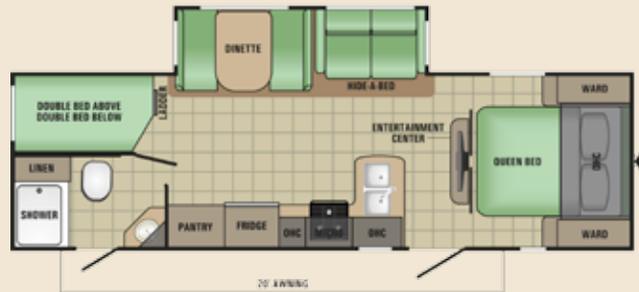

Another important part of our commitment to better construction is the exclusive TuffShell™ wall design. Using vacuum-bonded lamination, TuffShell combines welded aluminum framing, fiberglass sidewalls and metal backers, ensuring that Starcraft RVs can stand up to the toughest conditions.

FOLLOW US ON:

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment. 09/16
