2009 Travel Trailers & Fifth Wheels by Jayco®

Moving Up the Smart Way

The RV lifestyle is nothing new to you. You've seen the sun set out West and witnessed the fall colors in the East. In fact, you've spent many weekends traveling in your old RV. But the time has come for a change. The quick weekends are turning into weeklong adventures, and you find that a little extra room would be a welcomed addition. Jayco Eagle travel trailers and fifth wheels are just what you need. Whether a traditional Eagle or one of the Eagle Super Lite models, you'll find more space and high-end features at a mid-range price—making the Eagle a smart choice when it's time to move up.

TRAVEL TRAILERS

The Eagle travel trailer is an ideal upgrade from an entry-level trailer. Featured in both a lite weight and traditional model, Eagle travel trailers combine intuitive design, more standard name-brand amenities, and superior construction. The Eagle travel trailer makes life away from home easy and affordable.

FIFTH WHEELS

The Eagle fifth wheel fits perfectly into any RV lifestyle and budget. With more space, tighter turn radius, and superior construction, the Eagle fifth wheel is a refreshing twist on the ordinary. Add to that all of the name-brand amenities and finishing touches, and the Eagle is a welcomed upgrade from the usual fifth wheel.

Built For Liveability

Protection from the Elements

Jayco's Eagle travel trailers and fifth wheels are constructed with high quality materials using production techniques perfected over the past 40 years. The seamless one-piece rubber roof **1** and heated and enclosed underbelly with one-piece moisture barrier covering will protect your investment and provide excellent resale value.

Designed for Convenience

Many features on the Eagle are designed to make travel more enjoyable and liveable such as an attractive Carefree® electric patio awning, easy-care carpet **2** and high-quality carpet pads which provide enhanced durability and comfort.

Value Defined

The Eagle Customer Value Package offers amenities such as 15,000 BTU central air conditioning **3**, Multi-Media Premium Sound System™, microwave oven with carousel, tub/shower skylight and water purification system.

Durable Construction

In the Eagle fifth wheel, the Jayco I-Class® structural steel chassis frame **4** is made of 10" heavy-gauge steel to prevent warping. The Tuff-Shell™ vacuum-bonded laminated sidewalls **5**, the R-24 fiberglass insulation in the floor, the R-25 vacuum-bonded laminated roof, and 2" x 3" longitudinal floor joists on 16" centers provide additional strength.

Expandability

With the push of a button, Jayco's V-Tec™ flush-floor slideout systems increase living space for added comfort and liveability. The large, lockable storage compartments **6** keep bulky outdoor equipment close at hand but out of sight, and the pass-through design allows easy access to items from either side.

Safety and Comfort

In the Eagle fifth wheel, R-9 bead foam insulation in the sidewalls **5**, Polar Barrier 4-season thermal package **7**, tinted safety glass windows **8**, and electric-powered front jacks **9** provide added safety and comfort. The aerodynamic fiberglass front cap **10** is reinforced and dent resistant with a new design for a tighter turn radius.

Fulfill Your Passion for Adventure

There is no limit to what you can see and do with an Eagle Super Lite travel trailer. This newest Eagle model is designed to be tough and rugged for years of enjoyment, yet lightweight for easy towing and maintenance. Turn the two-day hiking trip into a weeklong adventure through the mountains or a long, romantic stay at the lake. The well-equipped kitchen, spacious slideout options and efficient mechanical systems incorporated into the Eagle Super Lite travel trailer perfectly complete the RV lifestyle. Whatever your passion—for adventure or relaxation, the Eagle Super Lite travel trailer is sure to exceed your expectations.

Find the room you need to unwind, as well as comfortable seating, convenient storage and decorative finishes throughout.

The bedroom features a queen bed with quilted bedspread, storage under the bed base, and a bi-fold privacy door.

Move Up and Head Out

You already love your RV lifestyle. The weekend adventures and quick getaways have whet your appetite for something more. Satisfy those cravings by taking your interest to the next level with the well-appointed Eagle travel trailer. The Eagle gives you more living space, more home-like furnishings and more convenient features, making it easier for you to move up and head on out for your next adventure.

The queen bed, deluxe comforter and mirrored closet doors are just a few of the fine finishing touches in the bedroom.

Choose the floorplan that fits your needs with plenty of room for meal preparation, entertaining and relaxing.

Eagle™

2009 Super Lite Fifth Wheels by Jayco®

Add Space, Not Weight

Want to enjoy the floorplan advantages of a fifth wheel and still maintain the fuel-efficiency of a lighter weight RV? If so, the Eagle Super Lite fifth wheel is the smart choice for you. With a multi-level design, this fifth wheel provides more separation between the bathroom and bedroom areas, while leaving plenty of room for comfortable seating and convenient storage. With the Eagle Super Lite fifth wheel, you have the space you need without extra weight.

31.5BHDS | CAMEL

A LEGACY OF CRAFTSMANSHIP

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

Relax and unwind in the bedroom with a 312-coil innerspring mattress, ample storage and a bookshelf headboard.

LIVEABILITY FEATURES

Everything's at your fingertips in the convenient kitchen featuring a 3-burner range, oversized oven and high residential-like faucet.

Cabinet drawers are built with ball bearing glides for easy movement.

Guests can enjoy their own space with additional storage, television and the convenient J-Cube™ futon sofa.

Eagle™

2009 Fifth Wheels by Jayco®

Sit Back and Enjoy the Moment

At last, give yourself the space to stretch out and really relax. The Eagle fifth wheel is designed with plenty of room for preparing meals, watching a movie with friends or just taking a much deserved nap. The Eagle fifth wheel is the most spacious Eagle model with a variety of floorplans that sleep 4 to 9 people. All floorplans have at least one slideout and everything on the inside is tastefully decorated. With amenities such as the antique brass hardware and light fixtures to the beautiful Manchester Oak cabinetry, it will be easy for you to simply sit back and enjoy the moment.

351RLSA | COFFEE

The bedroom slideout creates a cozy alcove for the queen bed, complete with windows to enjoy the view. The bathroom features a skylight, lighted mirror and stand-up shower with an optional glass shower door. Luxury and convenience are added with the optional washer/dryer combination and 26" HDTV.

Great style and convenience are combined in the spacious kitchen with generous storage, radius-cornered countertops and deep residential-style sink.

LIVEABILITY FEATURES

The bathroom features a skylight, lighted mirror and shower with an optional glass shower door.

Bring the sounds of home with you on the road with Jayco's iPod® adapter.

Now you can even extend your camping season with Jayco's Polar Barrier™ 4-season thermal package. Designed for efficient heating and cooling, Polar Barrier™ protects against freezing, even when temperatures drop as low as 0° F (-17° C)

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

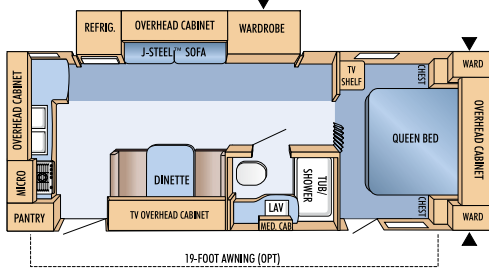

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWW and the CCC.

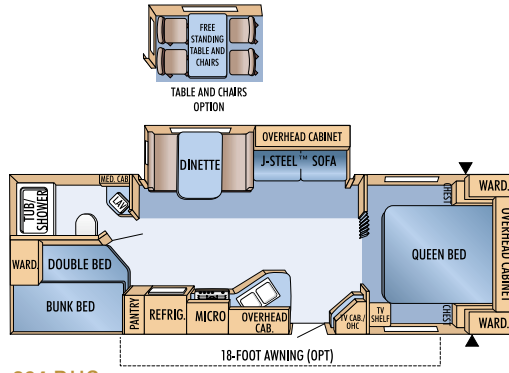

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

AMERICA'S MOST **LIVEABLE** RVs.

IT'S ALWAYS BEEN ABOUT "LIVEABILITY"

Lloyd Bontrager went into the RV manufacturing business in 1968 to improve the camping trailer lifter system. He knew that a better lifter system would mean a more "liveable" camping experience for his family and so many others.

More than forty years later, and now the largest family-owned RV manufacturer in the world, this priority still rings true at Jayco. As we work to continue building "America's Most Liveable RVs", we do it with one goal in mind—to improve the RV experience and help make "family time" truly memorable.

We Back What We Build

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Why a Local Jayco Dealer is Important to You

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

Your Jayco Dealer

Customer First Roadside Assistance

Travel worry-free in your Eagle™ with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
