FOREST RIVER'S HALLMARK OF EXCELLENCE:  
**PRE-DELIVERY INSPECTION FACILITIES**

## PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2009 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

**THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE.  
THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.**

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.
