Kingsport was created with your family in mind. Utilizing the finest engineering and highest quality construction, Kingsport is a standard-bearer of Gulf Stream's dedication to exceeding your discerning expectations.

With Kingsport you know you will get the safest, feature-packed recreational vehicle available at an unmatched price.

Now that we've peaked your interest, it's on to those discerning expectations...

feature-packed

Convenient rotating LCD TV with built in AM/FM CD/DVD player makes it easy to watch TV in the living room and bedroom

Huge family-sized u-shaped dinette also converts into a bed for even more sleeping space.

Detachable Hitch

Jack knife hide-a-bed with bunk above gives the kids a room to themselves on rainy days. (Available in 321TBS, New 371TBS and 4002B.)

Queen size hide-a-bed with inflatable air mattress lets you sleep comfortably without metal bars sticking in your back like a typical hide-a-bed.

Lite doesn't have to mean small or cramped. This Lite Series trailer, our 221 Lite, is packed with comfort-conscious features like a huge u-shaped dinette, large refrigerator and front window with rock guard awning. One step into a Kingsport Lite is the first step toward a long, rewarding journey for your family.

Front window w/ rock guard awning is standard on every Lite Series model.

14" tires and wheels w/ tandem axle are available on every Lite (except 165 which has single axle with 14" tires.) A double axle makes for better towing.

Huge pass-through storage on most models.

Every shower comes standard with a skylight above so a person 6'3" can shower comfortably.

lite series

Kingsport currently offers six floor plans in our Lite Series. With dry weights of less than 2800 pounds to no more than 4000 pounds, almost everyone looking for a light-weight travel trailer can find it in a Kingsport. From full rear bathroom models to bunk-house models to compact "single" models, Kingsport Lites offer an array of comfort features packed

into a light-weight travel trailer. With standards like stand-up showers, cable TV prep, solid oak cabinet doors and drawer faces, air conditioning, electric brakes, full size awnings, pass thru outside storage, and dark tint windows, you will enjoy a relaxing RV experience without needing a full size pick-up truck to handle the towing. Kingsport Lites are engineered

to be pulled by most fuel efficient, mid size SUV and Minivan vehicles. Our 7-1/2' wide construction means you won't need to install extended add-on side view mirrors when you leave on that next big camping trip.

All black appliances and residential cabinetry make it easy to move and prepare food.

Overhead cabinets allows for more storage while mirrored shirt closets add convenience to getting ready when it's time to go.

Jalousie crank tinted windows allow for air to flow through the trailer and block harmful UV rays.

Enjoy watching tv just like at home, with residential cabinetry and room for a large LCD TV.

Kingsport series

There are tough decisions to make when purchasing a travel trailer. Kingsport makes those decisions easier by offering sixteen luxurious floor plans for you to choose from. Whether you are a young or large family with teenagers, a group of fishing buddies or a single couple, Kingsport has the floor plan for you. With amenities like lighted

entry steps, an additional double 110v exterior receptacle for hanging patio lights, a 82" ceiling height, oversized entry doors, king bed slide rooms, 7' long "U" shaped king dinettes. Kingsport also offers optional features such as a 26" LCD/HD TV with satellite prep, 72" electric sofa/sleeper and so much more you will wish every day

was the start of a camping weekend. Great features surrounded with warm and relaxing colors will create an environment the family will remember for a lifetime and let's face it, family and memories are what camping trips are all about.

Spacious and just like home, the Kingsport is the definitive travel trailer. Built to reward those with a keen attention to detail, the 258 RLS above comes in four decor options, sleeps six (eight with optional sofa in rear) and has a king u-shaped dinette which puts the Kingsport in a class on top by itself making it the ideal entry-level trailer for your family.

Truly a home away from home, Kingsport's Destination Series are designed for the extended-stay camping experience. With residential kitchens, king beds and sliding patio doors, Kingsport Destination Series trailers will stand strong leaving you worry and stress-free so your family can have the ultimate camping experience year in and year out.

Residential hide-a-bed with inflatable air mattress lets you get a good night's sleep without metal bars poking you in the back.

Enjoy the outdoors even while you're inside the trailer with two huge windows and glass patio doors.

Optional residential black stove and refrigerator makes life on the road feel just like home.

Make it a night to stay in. Enjoy a fire while enjoying your favorite movie or music.

destination series

Kingsport's 4002B, a 40' trailer with a bath and a half, king bed slide room, living room super slide and a twin size bunkhouse slide can sleep up to ten people. The new 381FRS comes equipped with a 20' mega super slide which offers a living area 20' x 12' and is loaded with cupboard, cabinet and desk space. For sleeping comfort, the king bed slide room means

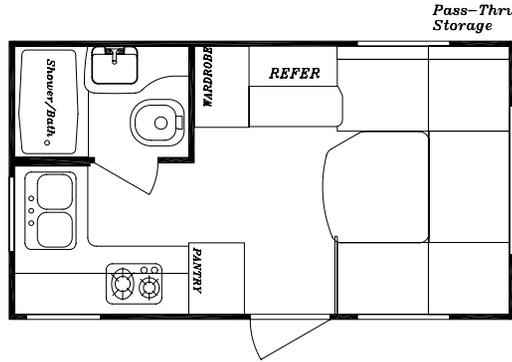

extra space for a bedroom vanity/desk and extra closet space. The brand new 371 TBS features a two-way TV cabinet, u-shaped dinette and a kid's room unlike any other.

Last, but not least, is the traditional favorite 380FRS equipped with 2 full bedrooms with the front bedroom being standard bunk beds and "kids" dinette,

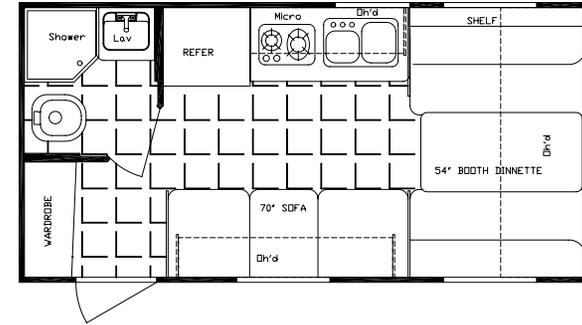

front quad bunks or an Island walk around queen to go along with the king bed slide room as the master bedroom. Residential features like a 10 Gallon electric water heater, fireplace, neo-angle residential shower with glass shower door, electric 16 cubic foot refrigerator, solid oak cabinetry and washer/dryer prep make Kingsport destination trailers like being at home on the road.
