

20 *Ellipse*® 09

A coach to remember

When you travel in an Ellipse, innovative features and upscale amenities combine to create a comfortable place you'll love to call home. With a powerful chassis and a comfortable ride, you'll feel like you own the road. But most of all, you'll be creating memories. Make them good memories with an *Itasca Ellipse*®.

The  **ITASCA** *Difference* ITASCA MOTOR HOMES ARE BUILT ON AN EXCLUSIVE SUPERSTRUCTURE FOUNDATION TO CREATE SOME OF THE INDUSTRY'S STRONGEST, MOST DURABLE MOTOR HOMES. QUALITY COMPONENTS, A 50-YEAR HISTORY OF INNOVATION AND ATTENTION TO DETAIL ALL GO INTO MAKING ITASCA MOTOR HOMES THE BEST IN THE BUSINESS.

Exterior Paint

Full-body paint with a double clear-coat exterior gives the Ellipse a distinguished curb appeal. A lower front protective mask protects the paint for years to come.

Take a *closer look*

The 2009 Itasca Ellipse® delivers all of the SmartSpace™ design features you'd expect from a luxury Itasca motor home. But to truly appreciate a luxury motor coach, you need to look beneath all of the upscale amenities. And there's no better foundation than the Maxum® Chassis found in the Itasca Ellipse. Its powerful 400-hp Cummins® diesel engine and 6-speed Allison® transmission deliver an uncommonly smooth performance while the chassis design provides more exterior storage than you might have thought possible. Inside you'll find spacious diesel-pusher comfort, especially in the 40WD full-wall slide that is so large you almost won't believe your eyes. It's time to treat yourself to the luxury and performance of a 2009 Itasca Ellipse.

REST EASY®

Make yourself *at home*

The Ellipse has plenty of diesel-pusher style and comfort from floor to ceiling, starting with ceramic tile flooring, moving to the elegant cabinetry and all the way up to the impressive 7'2" ceiling height. Take it all in from the Rest Easy® multi-position lounge or the available Rest Easy home theater seating with twin recliners that convert into twin beds at the touch of a button. The 40FD and 40TD also provide a moveable hoop-base recliner or an available Euro recliner in UltraLeather™

Once you settle in, the fully loaded entertainment center may make it hard for you to leave. The 40KD and 40WD include an LCD TV over the cab and a second, 37" LCD TV (NA 40KD) mid-coach for excellent viewing from any angle. A home theater sound system with CD/DVD player and an available King-Dome® HD-ready in-motion satellite system round out your entertainment experience. Dual-glazed windows, day/night pleated shades and the TrueAir® central air conditioning with heat pump maintain a comfortable environment with the privacy you desire.

Entertainment Amenities

- 32" LCD TV (40KD & 40WD)
- 37" LCD TV (NA 40KD)
- Home theater sound system
- Available King-Dome HD-ready satellite system

Make *every meal great*

The kitchen is sure to catch your attention with pristine Corian® countertops, ceramic tile flooring and beautiful cabinetry adorned with bronze hardware and hidden hinges. The kitchen sets up with everything you need to make your favorite meals, including a microwave/convection oven and an Amana® range top with three sealed burners. Upgrade the standard four-door refrigerator/freezer to a 14 cu. ft. stainless steel refrigerator/freezer with ice and water dispenser for extra cold storage.

Your dining options include a classic dining table, a dining table/buffet and the available BenchMark® full-comfort dinette that easily converts into a bed. The 40WD offers an UltraLeather U-shaped dinette with a tabletop that slides forward for easy seating. After dinner, clean up any crumbs with the available Dirt Devil® central vacuum system.

40WD Ridgemoore with Belmont Maple

Kitchen Highlights

- Microwave/convection oven
- Amana range top
- Solid-surface range and sink covers
- Full-extension drawer slides
- Filtered cold-water faucet

The only manufacturer to receive the RVDA Quality Circle Award for exceptional products, service and support for 11 consecutive years.

Wind *down*

After a day of great adventures, it's nice to have a private retreat like the Ellipse bedroom where you can re-energize yourself for the next day. You'll quickly fall in love with the Ideal Rest™ body-conforming memory foam mattress, which is standard on all models. Ease yourself to sleep watching the 26" LCD TV or listening to the rear stereo system, which includes a CD/DVD player, alarm clock and an MP3 input. You'll also find abundant storage thanks to a large slideout that creates room for a full wardrobe.

That spacious feel carries into the bathroom, including the large shower with a built-in shower seat and a flexible showerhead. The 40WD features a decorative vessel sink. A Corian® countertop rounds out the bathroom offerings.

40WD Ridgemoore with Belmont Maple

Bedroom amenities

- King Bed (40KD & 40WD)
- Ideal Rest memory foam mattress
- Available Sleep Number bed
- 26" LCD TV
- Stereo system

Just the way *you like it*

You'll feel like the cab was custom built just for you with a powered, UltraLeather driver's seat and a tilting/telescoping SmartWheel™ steering wheel that adjusts to fit you perfectly. Knowing where you're going is as easy as glancing at the available color rearview mirror, which is connected to the advanced GPgo™ GPS system from Alpine. The available GPgo system also includes a large touch screen and a remote to provide simple viewing and navigation for the driver and passenger. Best of all, the base unit is removable so you can use it in your tow vehicle on day trips.

For your listening pleasure, the Ellipse offers the RV Radio® with CD player, weather band, auxiliary input and two remotes, and the available Sirius® satellite radio. The Sirius package includes an iPod interface cable connector that allows you to listen to and operate your iPod through the dash stereo and a complimentary 6-month subscription to the Sirius service.

3 position controls

It's fast and easy to park and level the coach with controls by the driver's seat. Or use the controls by the entrance door or the service center to watch the jacks lower into position.

Cab features

- RV Radio
- Available Sirius satellite radio package
- Available GPgo GPS system
- Available side-view camera system
- Defroster fans
- Light-filtering window shade (driver side)
- Compass and thermometer

Get settled

The real fun begins when you reach your destination. In no time you'll be kicking back beneath the awning listening to music from the standard exterior entertainment center. Even if you camp off the grid, you'll have plenty of power from an 8,000-watt Cummins Onan® Quiet Diesel™ generator, 2,000-watt inverter/charger and four deep-reserve Group 31 batteries that offer up to 44% more amp.-hours over last year's offering. You'll also enjoy the convenience of an exterior service center with color-coded labels, a wash station and a winterization package for quick storage prep.

Innovative storage The Maxum Chassis offers multiple storage configurations, with movable panels in the storage compartment, or choose the available 90" compartment tray that slides out for easy access from both sides of the coach.

SMART STORAGE

**MAXUM
CHASSIS**

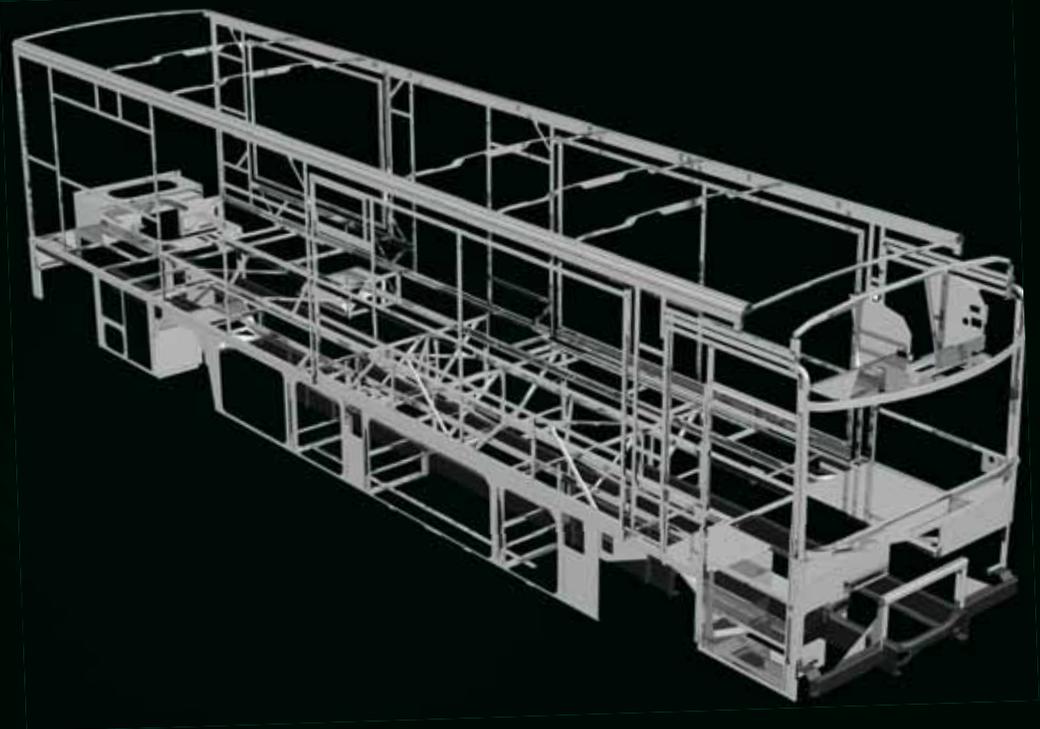

THE LEADER AT EVERY TURN™

Enjoy the ride The exclusive Maxum Chassis delivers an uncompromisingly smooth ride thanks to the legendary performance of Freightliner and the advanced chassis features that cushion bumps in the road. You'll also enjoy up to an unheard-of 220 cu. ft. of storage as a result of the Maxum Chassis' advanced lowered-rail design. The Maxum Chassis is the ultimate foundation for a new level of travel comfort.

- 400-hp ISL Cummins turbo-charged diesel engine
- 32,350-lb. GVWR
- I-beam front suspension
- Allison® 6-speed transmission
- 10,000-lb. hitch*
- 4-wheel ABS anti-lock brakes
- NeWay® air suspension
- Engine compression brake
- 55° wheel cut
- Electric battery disconnect system

SUPER STRUCTURE

SuperStructure Legendary strength and durability are the results of the SuperStructure construction that goes into every Itasca motor home. It's a combination of quality, proprietary components and careful attention to detail that makes Itasca motor homes the cream of the crop.

- Patented Thermo-Panel™ sidewalls are durable and lightweight
- Specially engineered interlocking joints connect the floor, sidewalls and roof together for improved strength and durability
- An automotive-style dip tank applies an advanced electrodeposition coating to protect critical steel components
- The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty

Service Centers Electrical and plumbing service centers make set up at campsites quick and easy.

- Color-coded connections
- QuickPort service connection hatch for fast hookups
- Wash station
- Winterization package for easy storage

Entertainment Center Upgrade the exterior entertainment center with an LCD TV and DVD player for an afternoon of fun.

The ONE PLACE systems center lets you control key systems from one location, including:

- **TRUEAIR** Residential AC eliminates roof run-off and has increased output for 2009
- **TRUELEVEL** Sonar technology provides accurate tank-level readings every time
- **POWERLINE** Energy management system monitors electrical usage and automatically cycles appliances on and off to prevent tripped campground circuit breakers

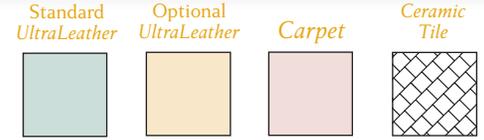

Committed to Service WE BACK OUR MOTOR HOMES WITH THE INDUSTRY'S BEST SERVICE AFTER THE SALE.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
 - RV Technical Assistance Hotline
 - RV Service Appointment Assistance
 - Emergency Trip Interruption
 - Emergency Message Service
 - Nationwide Trip Routing
 - Fee-Free Travelers Cheques

Warranty⁷

12-month/15,000-mile basic warranty⁸ 36-month/36,000-mile limited warranty on structure⁸ 10-year limited parts and labor warranty on roof skin⁸

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2 Ellipse floorplans feature a wide-body design – over 96" In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

3 The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.

4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

7 See separate chassis warranty.

8 See your dealer for complete warranty information.

0 Optional

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
