

20 *Cambria*® 09

Now is the time

Get out there and explore the country. Take the road less traveled.

Visit old friends or go out and make new ones. There's a whole world out there waiting to be explored. When you own an *Itasca Cambria*, the possibilities are only limited by your imagination.

The  **ITASCA** *Difference* ITASCA MOTOR HOMES ARE BUILT ON AN EXCLUSIVE SUPERSTRUCTURE FOUNDATION TO CREATE SOME OF THE INDUSTRY'S STRONGEST, MOST DURABLE MOTOR HOMES. QUALITY COMPONENTS, A 50-YEAR HISTORY OF INNOVATION AND ATTENTION TO DETAIL ALL GO INTO MAKING ITASCA MOTOR HOMES THE BEST IN THE BUSINESS.

Exterior Graphics and Paint

Upgrade from the standard graphics to your choice of full-body paint and add the available stylized aluminum wheels for a more distinct appearance.

 SMARTSPACE

Your Cambria *awaits*

Bold, nimble and *refined* will come to mind when you see the all-new 2009 Cambria for the first time. The Cambria embraces Winnebago Industries' SmartSpace™ design philosophy with innovative features, such as an available TV that can be used both indoors and out, to make the most of every inch. Two new floorplans that feature double and triple slideouts are available to suit your style. Enjoy the openness created by the available skylight and you can also add an interior upgrade package that includes a dash and beverage tray appliqué, accent rope lighting, a kitchen backsplash and pleated day/night window blinds. Take your next vacation in your very own 2009 Itasca Cambria®

30C Remington with Belmont Maple

Entertainment

- 26" LCD TV
- Home theater sound system w/CD/DVD
- Available King-Dome® HD in-motion satellite dish
- Available 300-watt inverter
- RV Radio®
- Available Sirius® satellite radio w/iPod interface cable connector

It's all inside

Designed with you in mind, you'll love every minute in your Cambria. The fun starts with an overhead entertainment center, complete with a 26" LCD TV, a stereo system with a DVD player and a video selection system that allows the DVD player to be shown on the available bedroom TV. An available multi-position Rest Easy® lounge in UltraLeather™ (30C) and a large available skylight provide comfort and ambiance.

The kitchen is equipped with everything you'll need for a quick snack or a multi-course meal with an Apollo® 3-burner range top and a convection/microwave oven that cooks and browns like a conventional oven in half the time. Features like an available water filtration system for clean, filtered drinking water and full-extension drawers add to the at-home feel. When dinner is ready, you'll dine on the U-shaped dinette or Benchmark® dinette, which features an available Dream Dinette™ table that can easily be adjusted with one hand.

Get a great night's sleep

After a day of exploring, the available Ideal Rest™ memory foam mattress is the perfect place to get some rest. Whether you're fast asleep or watching the available LCD TV, you'll love this body-conforming mattress. The 30C features a full bath with an elegant, curved, glass shower door. The 28B includes a retractable shower door that conveniently squeegees itself clean.

Bed/Bath features

- Available Ideal Rest body-conforming memory foam mattress
- Available 20" TV (30C)
- Available 15" LCD TV (28B)
- Shower skylight
- Flexible showerhead

More enjoyment The available exterior entertainment center includes AM/FM stereo, a CD player and a removable table. You can also easily take the available bedroom TV outside to its exterior mounting bracket and enjoy your favorite shows under the available awning.

Easy does it The TrueLevel™ holding-tank monitoring system uses sonar technology to read liquid levels from outside the tank. There are no probes to corrode or clog, just accurate readings time after time. Control the available automatic leveling jacks from the entrance door so you can watch them lower into position.

TRUELEVEL

The only manufacturer to receive the RVDA Quality Circle Award for exceptional products, service and support for 11 consecutive years.

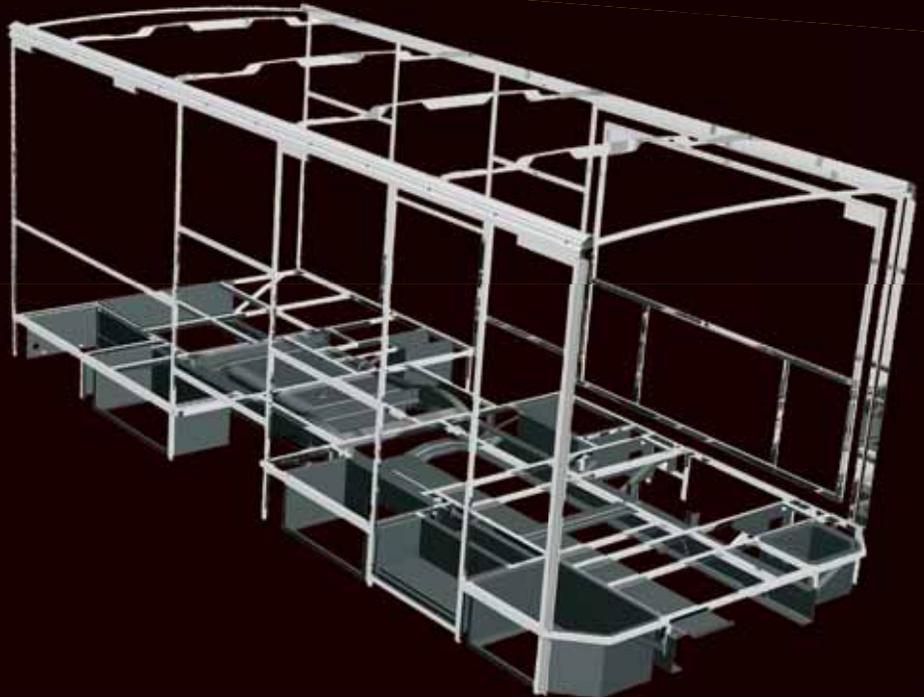

The world is *your* campsite

Make a statement wherever you go when you pull up in a Cambria boasting one of three available full-body paint schemes and available stylized aluminum wheels. Underneath the available awning you can listen to music on the available entertainment center or watch the available TV. A deep-cycle Group 31 battery and an available 4,000-watt Cummins Onan® MicroQuiet™ generator provide power for all your accessories. You can also add a second Group 31 battery for even more power. Towing is easy with a 5,000-lb. hitch⁵ and available power mirrors with defrost.

SUPER STRUCTURE

SuperStructure Legendary strength and durability are the result of the SuperStructure construction that goes into every Itasca motor home. It's a combination of quality, proprietary components and careful attention to detail that makes Itasca motor homes the cream of the crop.

- Patented Thermo-Panel™ sidewalls are durable, and lightweight
- Specially engineered interlocking joints connect the floor, sidewalls and roof together for improved strength and durability
- An automotive-style dip tank applies an advanced electrodeposition coating to protect critical steel components
- The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty

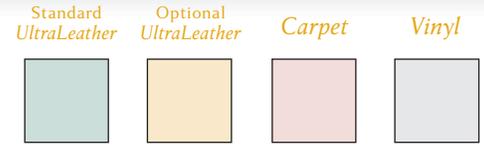

Committed to Service WE BACK OUR MOTOR HOMES WITH THE INDUSTRY'S BEST SERVICE AFTER THE SALE.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
 - RV Technical Assistance Hotline
 - RV Service Appointment Assistance
 - Emergency Trip Interruption
 - Emergency Message Service
 - Nationwide Trip Routing
 - Fee-Free Travelers Cheques

Warranty⁶

12-month/15,000-mile basic warranty,⁷
 36-month/36,000-mile limited warranty on structure,⁷ 10-year limited parts-and-labor warranty on roof skin⁷

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2 The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.

3 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

4 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

5 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

6 See separate chassis warranty details provided in Owner's Manual.

7 See your dealer for complete warranty information.

o Optional

NA Not Available

Not all items available in combination. See dealer for details.

Winnabago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
