2009

HOLIDAY RAMBLER®

This is Living®

Imperial

A WARM WELCOME.

Yes, you've just stepped inside one of the most gracious interiors anywhere. Welcome to the 2009 Imperial. It greets you with plush furnishings, stunning woodwork and a combination of designer carpeting and sleek

ceramic tile. As you can see here, the Bali IV floorplan features a fabulous 46-inch LCD TV in the living area, creating a remarkably residential atmosphere. The Imperial also offers a wide range of exciting options this

year, including a recessed ceiling design and two styles of computer desk — one designed for used with a desktop and one that is ideal for a laptop. It's just more of the ways Imperial welcomes you home.

BALI IV

WINDERMERE

STAINED CHERRY

SEASONED WITH STYLE.

Every meal tastes better when it's prepared in the Imperial kitchen. To begin with, you're surrounded by exquisite style, from the Corian® countertops, to the tile backsplash design, to the beautiful cabinetry. Next, you'll love all the conveniences, starting with a four-door or optional residential refrigerator, making it easy to stock up on provisions. You'll also appreciate

the generous storage space and roomy work area, thanks to a roll-out countertop extension. And speaking of convenience, nothing beats the optional central vacuum system, shown below. The legless dinette (shown above) with cozy freestanding chairs is the perfect place to share a meal or catch up on correspondence.

A GRIPPING EXPERIENCE.

Holiday Rambler is leading the way with more high-tech features to put you firmly in control while you're on the road. Highlights include color rear vision with an adjustable camera, the lighted VIP Smartwheel® and adjustable brake and accelerator pedals. You also have the option of GPS navigation and the exclusive SafetyCruise collision avoidance system. Additional options for your entertainment include the new in-dash stereo with a multi-disc CD changer and a Sirius satellite radio system.

RELAX AND REVIVE.

At the end of every day's adventure, the Imperial's private quarters await with impeccable style and luxury. Count on a good night's rest in the pillowtop queen bed, or choose the optional king bed for all the comforts of home. A 20" LCD TV with DVD player completes the experience. Another great

option is a washer/dryer — choose a combination model or the stackable option shown here. As you can see below, you'll be pampered beyond compare in the spacious bathroom. A new option this year is radiant floor heating, for cozy warmth throughout the living areas.

THE ROADMASTER DIFFERENCE

Turn the key of the 2009 Imperial and prepare to experience the incomparable performance of the Roadmaster S-Series semi-monocoque chassis. Roadmaster is the only chassis manufacturer with a 100 percent commitment to only producing chassis for luxury motorhomes. In fact, every Roadmaster chassis is custom built for the exact model and floorplan. That means you'll enjoy a smoother ride, superior front-to-rear balance and unbeatable strength and reliability. We encourage you to take a few minutes to learn more about the many features that put Roadmaster in a class by itself.

MASTERPIECE

The 2009 Imperial stands out in a crowd wherever you travel with its deluxe full-body paint and eye-catching graphics. The high-quality awning package features an automatic patio awning. And an exciting new option to liven up your destination is an exterior entertainment center with a 26" LCD TV and DVD player. As you can see below, an optional full pass-through storage tray and side-hinged baggage doors eliminate the hassles of retrieving items from the storage bays.

The 2009 Imperial features a mighty Cummins® ISL 425 HP engine. New this year is the option of extra muscle with the impressive ISM 500 HP engine.

5-LAYER FLOOR CONSTRUCTION

(top to bottom)

- Tile, or 1/2" carpet pad and carpeting
- Dyna-Span Flooring
- Decibel paper
- Dyna-Span Flooring
- Waterproof Darco underbelly

ROADMASTER S—SERIES SEMI-MONOCOQUE CHASSIS

- 1** For less vibration and smoother shifting, a unique rear axle tilt and three-point engine mounting system perfectly aligns the entire drivetrain.
- 2** A 10,000 lb. hitch with 7/4-way trailer plug offers powerful towing capacity.
- 3** The side-mounted aluminum radiator and intercooler reduce weight, are rust-resistant and deliver better heat transfer than steel cooling components. The cooling system exceeds all manufacturer requirements, while two fuel filters help ensure that the injectors remain clear and operate at peak performance.
- 4** Semi-Monocoque Design – Trussed superstructure distributes stress evenly throughout the entire chassis and adds strength to the sidewalls and bays. Rails are spaced 44" on center for a wider stance and unmatched strength.
- 5** A two-stage Jacobs engine brake, auto-slack adjusters, and the anti-lock braking system (ABS) with front disc and rear drum brakes all combine to give you superior stopping power — especially on steep grades. Automatic traction control (ATC) eliminates wheel slippage in slick conditions and heightens control.
- 6** The Cushion Air Glide suspension positions 10 Sachs shocks and 10 air bags, 8 of which are outboard mounted with auto leveling for greater stability, a smoother ride and the best handling in its class. The air bags are

placed approximately 7-1/2 feet apart, providing a wider and more stable platform. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

- 7** You'll enjoy the peerless performance of the Cummins® ISL 425 HP diesel engine and Allison® 3000 MH 6-speed World Transmission with electronic shifter. Our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the Allison® transmission.
- 8** The heavy-duty steel superstructure is the strongest you'll find anywhere, with a 3" x 8" x 1/4" frame rail and a steel rating of 60,000 PSI.
- 9** Steel Cage Firewall for extra protection.
- 10** Dual fuel fill allows you to fill the tank from either side of the coach, for greater convenience and flexibility at the pump.
- 11** The brake and accelerator pedals adjust at the touch of a button, for enhanced ergonomics and greater comfort.
- 12** Dual Ping Tanks with 3/4" air lines for quicker response and improved ride and handling.
- 13** The power steering box provides a 50-degree front wheel turn angle in both directions and returns the steering wheel back to its center position.

6-LAYER SIDEWALL CONSTRUCTION

(left to right)

- Laminated gel coat fiberglass outer wall
- Luaun paneling
- R 7.5 closed cel foam seals every nook and crevice
- Heavy-gauge tubular steel and 4" steel plate backers
- Luaun paneling; walls are Vac-U-Bonded together
- Decorative wall coverings

8-LAYER ROOF CONSTRUCTION

(top to bottom)

- One-piece 1/4" thick fiberglass roof, crowned for water runoff and seamlessly joined with front and rear end caps; non-skid walkways on outboard areas for added convenience
- Vapor barrier
- 3-1/2" tapered bead foam supports the crowned roof; the center tunnel houses wiring and air conditioner ducts
- 1/4" marine grade plywood sheeting
- Tubular steel framework
- R closed cel foam seals every nook and crevice
- Luaun and vinyl paneling are Vac-U-Bonded
- Sound-absorbing, easy-to-clean padded vinyl interior headliner

BETTER
STAIN
PROTECTION

COLORS AND PATTERNS IN PERFECT HARMONY.

Leave it to Holiday Rambler to give you the most enticing choices of exterior colors and interior decors. Choose the one that fits your style — from boldly sophisticated to classic elegance. Then, put it all together with your favorite cabinetry selection, and you've created a masterpiece all your own.

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

HOLIDAY RAMBLER®
This is Living®

BEING DIFFERENT MAKES
ALL THE DIFFERENCE.

Take a closer look, and you'll discover that Holiday Rambler, a brand of Monaco Coach Corporation, gives you more industry "bests" than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 350 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of holidayrambler.com. At Holiday Rambler, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
