DAYBREAK

**A NEW DAY HAS DAWNED IN FAMILY-FRIENDLY,
MORE-FOR-YOUR-MONEY, CLASS-A MOTORHOME ENJOYMENT!**

Daybreak is what you've been longing for. And now it's here: Class-A motorhomes with every feature and benefit you have ever dreamed

of, for a price that won't cause nightmares. At Damon, you'll be riding on over 20 years of motorhome building experience.

WE'RE DAMON MOTOR COACH

With Damon, you get more innovative floorplans, better coach designs, higher quality standards, and a good reputation for support-after-the-sale.

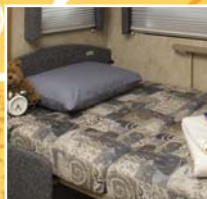

The most popular motorhomes on the road and at campsites today are Damon products. It's value by design, especially at resale time.

AMAZINGLY-SOLID FEATURES

LOTS OF STORAGE

From pantry to closets, under bed and full basement exterior pass-through, DayBreak has more.

DREAM DINETTE

Damon's standard Dream Dinette is easier to set up and take down than any other design.

QUALITY FEATURES

Full extension ball bearing drawer guides also feature solid wood cabinet door and drawer fronts.

AN AMAZINGLY-AFFORDABLE MOTORHOME

Better quality and styling for your money is the Damon way. From creature comforts, like standard LCD TV in the kid's room (on 3576), to solid construction; Damon coaches are built to last—and designed for living!

MORE OF EVERYTHING, FOR LESS!

The amenities you see are impressive. But the value is designed in, and often overlooked. Large foam-lined air ducts allow better heating and cooling and are more efficient, ball bearing cabinet drawer guides are top quality, cabinet doors feature hidden hinges, window openings are framed in aluminum to prevent swelling and better sealing. And much more than meets the eye!

BRILLIANT STORAGE

Well-thought-out and well-built storage compartments abound on your Daybreak coach. This large under-bed storage is hidden but handy. You'll also appreciate a large pantry and closets, along with Daybreak's massive under floor, pass-through exterior storage feature.

BETTER CABINETRY

For the money, you get much more with Daybreak. Cabinet door fronts feature raised panels and have the look of high end storage. Even room dividers have wood pocket doors vs. cheap plastic accordion-style doors like those found on most coaches in this price category.

INTERIOR COLORS

Top-of-the-line fabrics and a stylish variety of interior decor choices are sure to please.

BRONZED BULLION

CARBON COIN

INCA TREASURE

Bathrooms feature all the luxuries of home.

A 26" LCD TV offers better picture quality and less glare. Floorplan model 3578 in Carbon Coin.

Our unique Dream Dinette easily converts into a bed.

A one-piece windshield offers a more panoramic view. Swivel captain's chairs are convenient.

This kitchen has Glazed Maple doors and drawers.
