

Remember that feeling of being free?  
Well, it remembers you.

*American Coach*

2009 American Tradition

The freedom to travel in any  
direction the wind takes you.

2009 American Tradition

Once upon a time, your dreams were as wide as the sky. Adventure was around every corner. And your biggest worry was getting home before the streetlights went dim. Wouldn't you like to recapture the simple feeling of being free? With the 2009 Tradition, you can. Built to go wherever your heart desires, it's more than just a motor coach – it's a state of mind. Make yourself at home in a spacious cabin, with 84" ceiling height, 30" deep opposing living room slide-outs and a full wall slide-out. And sail from sea to shining sea on our incomparable Liberty Chassis powered by a 425 horsepower engine. The time has come to leave your worries behind – and to let your imagination run wild.

American Tradition 42C shown in Black Gold with Cyclone graphics. (Also available in Journey graphics.)

American Tradition 42C shown in Mocha Midnight interior décor with Natural Cherry wood cabinetry and optional furniture.

2009 American Tradition

2009 American Tradition

It's one thing to have goals;  
It's another to reach them.

The thrill of achievement has never felt so sweet. Step inside the 2009 Tradition, and you'll feel like you've arrived. Flip the switch on decorator-selected light sconces and feast your eyes on a towering, decorated ceiling.

Or, if it's relaxation you crave, sit back on newly styled Charisma® sofas, upholstered in supple Ultraleather®. Chilly night? Stay cozy with Tradition's innovative Aqua Hot® heating system – which warms the cabin from floor to ceiling in a flash. You'll even experience state-of-the-art entertainment with a Sony® LCD TV and Sony® Dream Home Theater System. You've earned it. Now all that's left is to enjoy it.

## The recipe to enjoy life? Equal parts luxury & adventure.

The 2009 Tradition galley gives you a pinch of convenience, a dash of utility and a heap of sophistication. A sleek, stainless steel residential refrigerator (optional) is a stylish and functional addition to any kitchen. And a wood faced dishwasher (optional) makes clean up a breeze (and blends beautifully with your galley décor, too). But this is much more than just a gourmet kitchen. Decorated with gorgeous, wood cabinets, chrome hardware and Mystera counter tops, luxury is everywhere. Get ready to live the sweet life.

2009 American Tradition

2009 American Tradition

2009 American Tradition

Enjoy the journey,  
One step at a time.

Take things slow. And take it easy in the privacy of the Tradition's incredible master bathroom and suite. Your first step inside is a welcoming one. A hand-held, Kohler® showerhead in the rounded glass shower gives you adjustable massage settings (perfect for soothing your muscles after a long hike). And because the elegant vanity area is designed with ample drawer and closet storage, everything you need to greet the day stays neatly organized. It's a sublime retreat that feels like your very own spa. Find your Zen.

Remember that feeling of getting your first puppy?  
Now experience the thrill of letting him loose.

Get ready to unleash the excitement. Because the Tradition's awe-inspiring, low-profile cockpit is designed to knock your socks off. Let's start with the driver's command center: the remarkable Navion® R5000 system gives you everything you need, in one place. That includes an AM/FM radio with CD player, precision navigation system, mp3 compatibility and a rear vision monitor. Plus, smart, side view cameras are integrated into the side view mirrors, for added peace of mind in every situation. And did we mention how comfortable you'll feel? An automatically adjustable, Ultraleather™ captain's seat puts you in control.

Sleek yet functional. Solid wood drawers provide ample room for all your driving necessities and a curved integrated design that hides them away when not in use.

A classic aeronautical appearance reveals an ergonomically designed dash instrumentation panel. All gauges are back lit and highly visible through a leather and burl wood trimmed smart wheel.

Designed to easily guide you to your destination with ease and comfort is the Navion® R5000 infotainment center. This multifunctional, state-of-the-art system comes with AM/FM/CD player, MP3 port, engine monitoring and rear vision camera all in one.

Anything is possible  
When you put your mind to it.

For years, American Coach has held the same core philosophy. We don't just simply build to industry standards alone, we also build to our customers' standards. Our team refuses to settle for sub-standard parts or low-quality construction. No short cuts. No cheap materials. No substitutions. Just painstaking attention to detail by the best and most dedicated craftsmen in RV manufacturing. The end result of our efforts is a coach of strength, integrity and overwhelming beauty. One that we're just as proud to stand behind as you will be to own.

## Coach-Net<sup>®</sup>

Now all 2009 American Coach products come standard with one year of Coach-Net Service. 24/7, 365 days a year service is just a phone call away. See your American Coach dealer for details.

## The Liberty Chassis

Technology this groundbreaking requires an expert team. That's why American Coach and Spartan decided to join forces - to create a rugged, modular chassis system for an incomparable driving experience. Since 2004, the American Coach line has been built on the Liberty Chassis, an integration of superior American Coach framing technology and the Spartan Chassis modular system, providing the strength and structure for a ride unrivaled in the luxury coach industry. So even coupled with a high-performance diesel engine, you'll enjoy the lowest levels of vibration for the smoothest riding coach on the road. Consider it our salute to integrity.
