

Monterey®

Beaver®

Different by Design.

EXTRAORDINARY

Monterey is back — and it's more powerful and luxurious than ever before. Step inside and prepare to be wowed by every thoughtful detail and decorative touch. In true Beaver style, the woodwork is stunning, with hardwood cabinetry, crown molding and beautiful slide-out fascia trim. Throughout the coach, you'll find designer carpet and ceramic tile flooring, and you have the option of a full-tile living area like the one shown here. The luxury extends to the cockpit, as you can see below. Ultraleather™ seats provide comfort on the road and relaxation at your destination. In the overhead cabinets, you'll find the home theater system, featuring a 32-inch LCD flatscreen TV. Now that you've had the first glimpse, are you ready to see more?

INSPIRING A highlight of the kitchen and dining area is the gleam of the polished radius solid surface countertops. The legless dinette extends from a full-length wall cabinet and is paired with two beautiful freestanding chairs.

PLUSH

Just imagine unwinding
in style in the Monterey's

bedroom. The queen bed (king, on the Laguna 40 and Sunset 42) features a hardwood headboard with a padded fabric insert and decorative pillows. The Malibu 42, shown here, is a bath-and-a-half floorplan that features a full private bath beyond the bedroom. Highlights include the one-piece round shower with a reeded glass door (neo-angled with obscure glass door on Mission 40).

POWERFUL ENGINES

On the 2009 Monterey, you'll have the muscle of an ISC 360 Cummins® engine — or, on the 42-foot model, the remarkable Caterpillar®C-9 400 HP. Both are compliant with 2007 EPA standards and feature ACERT technology for reduced emissions, powerful performance and outstanding fuel economy.

SMART Behind the wheel, every button, switch and gauge is strategically positioned to give you the utmost control and peace of mind on the road. Cockpit highlights include rear vision with audio and an adjustable camera, an in-dash stereo with satellite radio and iPod connections and weather band, and optional GPS navigation. As you can see below, side-hinged baggage doors and an optional slide-out tray provide convenient access to items in the large pass-through storage bays.

RR10R SERIES TAG AXLE

The Malibu 42 and Sunset 42 models feature 10 air bags and a tag axle with anti-lock brakes. It's all part of Beaver's commitment to overall performance and, most importantly, your safety.

5-LAYER LAMINATED GEL COAT FIBERGLASS SIDEWALLS (LEFT TO RIGHT)

- › Wallpaper
- › 1/8" luau
- › 1-1/2" x 1-1/2" square tubular aluminum frame
- › High-performance thermal insulation
- › High-gloss gel coat fiberglass exterior

The Monterey's 40-foot models (Laguna 40 and Mission 40) ride on the Roadmaster RR8R-Series chassis with eight outboard-mounted air bags, which provide a wider, more stable platform for the coach.

- 1 The Cushion Air Glide suspension features 8 outboard-mounted gas-charged shocks and air bags.
- 2 The power of Cummins® is at the wheel of the 2009 Monterey. ISC 360 Cummins® engine – or, on the 42-foot model, the remarkable CAT® C9 400 HP.
- 3 Our exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- 4 Allison® 3000 MH 6-Speed World Transmission with electronic shifter. Our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the Allison® transmission.
- 5 Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS), with front disc brakes and rear drum brakes, gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.
- 6 Aluminum Fuel Tank is lightweight and resists corrosion, unlike steel tanks.
- 7 Dual Fuel Fill allows you to fill the tank from either side of the coach for greater convenience and flexibility at the pump.
- 8 A 10,000 lb. tow hitch rating is the highest in its class. Prewired for supplemental braking system that works with your tow vehicle.

6-LAYER FLOORING

(TOP TO BOTTOM)

- › Carpet pad and carpeting or tile
- › Structurwood™ for added reliability
- › High-performance thermal insulation
- › 1-1/2" x 1-1/2" square tubular frame
- › 1/8" luaun
- › Waterproof Darco underbelly provides moisture barrier

9-LAYER MOLDED FIBERGLASS ALL-SEASON FOAM INSULATED ROOF

(TOP TO BOTTOM)

- › One-piece 1/4" fiberglass roof is crowned for easy water runoff
- › Luaun backing
- › 2-1/2" thick tapered bead foam insulation
- › 1-1/2" x 3" aluminum I-beam superstructure on 16" centers filled with 3" fiberglass insulation
- › Vapor barrier
- › Structure foam provides added thermal barrier
- › 1/2" bead foam insulation
- › Foam padding for extra insulation
- › Easy-to-clean padded vinyl ceiling

DRIFTSCAPE

ELEGANCE

The fine-tuned performance of the Monterey is matched by the exquisite beauty of its decors and the craftsmanship of its cabinetry. Choose the color that takes your breath away and combine it with one of our signature wood styles — to create a motor coach that's as distinctive as you are.

SANGRIA

WARRANTIES

- › 12 Month/24,000 Mile basic limited warranty
- › 5 Year/50,000 Mile limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap
- › 3 Year/50,000 Mile limited warranty on Roadmaster chassis

BALI NIGHT

CRAFTSMANSHIP

The first thing you notice in a Beaver coach is the beautiful wood cabinetry and trim. Handcrafted from the world's finest woods, the details create a stunning effect — and a level of quality you won't find anywhere else.

SOPHISTICATION

Beaver owes its plush comfort to rich upholstery, textured carpeting, unique bedspread designs and beautifully coordinated accents. For 2009, our expert designers have assembled combinations for every taste — from bold and exotic to classic and traditional.

MEDIUM ALDER

LAGUNA 40

MISSION 40

SPACIOUS

The 2009 Monterey is available in four spacious floorplans — each with quad slide-outs. Allow us to point out just a few of the highlights. The Mission 40 features a 37-inch LCD TV in a hutch, creating a cozy, residential-style living area. The Malibu 42 has a bath-and-a-half for increased privacy. And the Sunset 42 and Laguna 40 offer the added comfort of an optional king bed. Whichever you choose, you'll enjoy the unsurpassed lifestyle of a Beaver motor coach.

¹ Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

² All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Beaver Motor Coaches provides a weight sticker on each unit we produce

which includes that unit's tank capacities and approximate weight. Consult your local Beaver Motor Coaches dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance.

All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Beaver Motor Coach models. Beaver Motor Coaches, the Beaver logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the

interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure.

Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.
