SF27RE Living area shown with available 19" LCD TV

Sunset Trail travel trailers and fifth wheels utilize aluminum framing for light-weight towing. Every Sunset Trail passes a comprehensive 96-point inspection before it ever leaves the factory.

The Sunset 27RE fifth wheel features a large 42"x 92" U-shaped dinette, a designer sofa and rear entertainment center.

The deluxe innerspring mattress is a standard feature in all Sunset Trail products.

Trailair Equa-Flex™
 Equalizer suspension ensures a smoother ride, more stable towing and improved coach and vehicle safety. On broken pavement at 55 mph, Equa-Flex™ reduced G-force up to 89% (360Hz) at the trailer frame. It's the ultimate rough road remover!

Dependability that Lasts

What our competitors don't want you to see! Our aluminum frames are bolted not welded. This makes them much stronger and gives them a longer life. Poorly welded frames come apart and are costly to fix.

Standards stated throughout this brochure are partial lists only. See your dealer or www.crossroadsrv.com for a complete listing.

SUNSET TRAIL

Sunset Trail Warranty

Every CrossRoads product is backed by one of the industry's best warranty plans. For details, please visit our website at www.crossroadsrv.com.

We invite you to compare our quality, value, service program, and warranty plan with those of our competition. You'll find we are unsurpassed in all four.

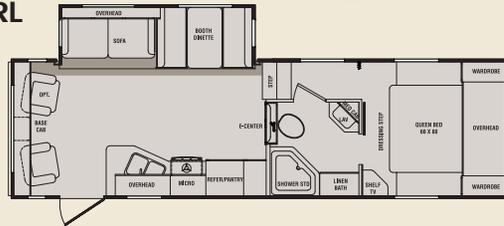

In the bunkhouse models, ample daytime storage converts to fold-down bunks for 6-8 people at night

LP bottles are conveniently stored away allowing space for bike racks or other sports equipment on your Sunset Trail's exterior
