

Komfort 2009 *Lite*

Interior Colors

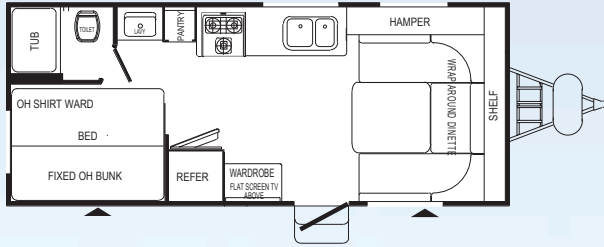

Komfort Lite units offer luxury accommodations at an affordable price! From the sleek, coordinated appliances to matching black hardware & cabinet edging, the Komfort Lite has a contemporary look all its own! These models include unique features like an extra-spacious 84" U-shaped booth dinette with removable table that converts to a bed - great for those people "too tall" for the regular sized beds!

Our innovative center "island" with dual bedroom entry-way and a rotating bookshelf that turns into an HDTV Entertainment center (model specific) for some much-needed versatility!

Komfort Lite

Specialized Exterior Features

Featuring - Komfort's "TruWeld AlumKaGe"

- 6- Sided (Full Cage) Aluminum Framed Construction
- Fully Welded at Each Connection
- All Framing 16" On Center
- .050 - .060 Heavy Duty Extruded Aluminum Tubing
- Up to 60% More Aluminum than Most Competitive Brands!

An attractive and aerodynamic molded fiberglass front cap, a molded tail light bar (not pic'd), and upgraded smooth finish LP bottle cover add function as well as distinctive style to the Komfort Lite.

The Sure-Trax Suspension System separates the axles to 42" apart. This helps to isolate the road shocks, reducing the transfer to the frame and contents. Stability and tracking are also greatly improved.

Holding tank compartments are sealed, insulated and heated to protect against freeze-ups in extreme temperatures.

All running lights are LED, which emit a more brilliant light for safety, and add a more modern appearance.

All Black tanks are fitted with SAN-T-FLUSH systems for easy clean out when dumping the waste tank.

The Komfort Lite comes standard with the A&E 9100 Power Awning with/adjustable arms. The awning opens and closes in seconds with the push of a button!
