BUILT TO STAND THE TEST OF TIME

IT IS BOTH QUALITY CONSTRUCTION MATERIALS AND INNOVATIVE ENGINEERING TECHNIQUES THAT HAVE SET THE CARDINAL APART FROM THE COMPETITION. CARDINAL'S ULTRA-STRONG STEEL Z-BEAM FRAME SERVES AS THE FOUNDATION FOR OUR FLOOR, SIDEWALL AND ROOF SYSTEMS WHICH ARE THE STRONGEST, MOST DURABLE IN THE INDUSTRY. BY TAKING THE TIME TO INTEGRATE EACH STRUCTURAL COMPONENT, WE ARE DRASTICALLY IMPROVING THE CARDINAL'S ABILITY TO TAKE THE WEAR AND TEAR OF ROAD TRAVEL. THIS MEANS THAT EVERY CARDINAL IS BUILT TO STAND THE TEST OF TIME – INSIDE AND OUT!

PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE.

THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every new Cardinal customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

Forest River Encourages You to Buy Locally

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
