America's

COMFORTABLE

With beautiful hardwood cabinet doors, nickel hardware, residential-style furniture and ample storage options, you'll always feel right at home wherever you go.

JAY FLIGHT®

Travel Trailers and Park Trailers by Jayco®

LIVEABILITY MEETS POPULARITY

family favorite.

At Jayco, we believe there's no substitute for family time. That's why we make our Jay Flight travel trailers as family-friendly as possible. In fact, many of the high-end features that come standard in the Jay Flight are only available as expensive upgrades in other RVs. It's this continued commitment to families that has helped make our Jay Flight line the top selling travel trailer in the country.

DURABLE

An I-Class structural-steel chassis frame, one-piece rubber roof, and longitudinal floor joists on 16" centers provide strength and durability.

FUNCTIONAL

Cooking is a breeze with Jay Flight's three-burner range, refrigerator with adjustable temperature control, easy-to-reach storage and optional microwave with carousel.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

FOREVER FAMILY FRIENDLY.

Jay Flight continues our tradition of family-first design, with spacious slideouts for extra room, comfortable furniture for rest and relaxation, well-planned living spaces and residential-style kitchen and baths, making it an affordable value for families of all sizes.

REFRESH

A large sink, medicine cabinet and radius shower curtain track are just a few of the bathroom's finishing touches.

SAVOR

It's easy to make your family's favorite home-cooked meals in Jay Flight's well-designed kitchen area.

CHARMING

You'll love Jay Flight's cozy sanctuary, with a queen inner-spring mattress, privacy curtains and plenty of storage.

PERFECTLY LIVEABLE.

The Jay Flight G2 is built for liveability in every sense of the word. With its contemporary, well-equipped kitchen, spacious living areas and comfy, cozy bedroom, the Jay Flight G2 is perfect for weekend adventures, weeklong excursions and extended vacations alike.

CONTEMPORARY

The G2's bathroom is a welcome retreat, with a radius shower curtain track, a large skylight and medicine cabinet with mirror.

INTIMATE

With a 312-coil innerspring queen mattress, spacious closets and overhead reading lights, the G2's bedroom feels just like home.

CONVENIENT

Everything's within easy reach in the G2's home-like kitchen, making mealtime fun and easy.

STAY AWHILE.

With open 40-foot floorplan designs, comfortable living spaces, ample storage options, residential amenities and finishing touches throughout, the Jay Flight Bungalow park trailer lets you bring all the comforts of home to wherever you decide to park it.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

FLOOR

Jay Flight's floor features $\frac{5}{8}$ " tongue-and-groove plywood with 2"x 3" floor joists and R-7 fiberglass insulation. (The G2 and Bungalow foil insulation option increases the R-value to 24.)

WALLS

The walls consist of 2"x 2" wood studs, .024 aluminum exterior siding and R-7 fiberglass insulation. (The G2 and Bungalow foil insulation option increases the R-value to 19.)

ROOF

Our roof combines wood rafters with 4- $\frac{1}{2}$ " arched trusses, $\frac{3}{8}$ " plywood decking, a one-piece seamless rubber membrane and R-7 fiberglass insulation. (The G2 and Bungalow foil insulation option increases the R-value to 22.)

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

Jayco liveability

At Jayco, it's always been about liveability.

CENTRAL A/C

The Customer Value Package includes a 13,500-BTU or 15,000-BTU central air conditioner with a wall thermostat, louvered-directional ceiling vents and ChillGrille™.

IN-FLOOR HEAT DUCTS

The weather outside may be frightful, but inside, Jay Flight's in-floor ducted heat vents keep you warm and cozy.

CONVERTIBLE SOFA

Our J-Steel™ convertible sofa provides a comfortable seat for family gatherings and converts into a full-size bed when it's time to turn in.

UNDER-BED STORAGE

Gas struts make it easy to lift Jay Flight's queen bed mattress, giving you even more space to store your stuff.

BALL BEARING DRAWER GUIDES

Our new residential-style ball bearing drawer guides provide smooth operation and full-drawer extension for a stronger, more substantial drawer and a true home-like feel.

I-CLASS STEEL CHASSIS

The Jayco I-Class™ structural steel chassis frame makes Jay Flight stronger and more durable than our competitors' standard welded I-Beam frames, which can warp over time.

JAY FLIGHT

Travel Trailers and Park Trailers by Jayco

Bringing Folks Together

Whether your family is just the two of you, or a house full of kids and all their friends, with three series and 20 floorplans to choose from, including two home-like bungalows, there's a Jay Flight travel trailer that's perfect for you. Customize your Jay Flight with a variety of options, including the Customer Value Package, which adds a multi-media sound system, central air conditioning, patio awning and more. Depending on which model you choose, you can sleep up to 10 people, so there's plenty of room for everyone. Not to mention all of your stuff.

JAY FLIGHT

With eight family-friendly floorplans, and towable by most half-ton trucks and SUVs, our most affordable Jay Flight model is great for first-time and long-time RVers alike.

Unloaded Vehicle Weight (UUV): Sometimes referred to as "Dry Weight," UUV means the typical weight of this trailer as built at the factory. The UUV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UUV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UUV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UUV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

AMERICA'S MOST **LIVEABLE** RVs.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. **Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!**

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walk-through at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts

- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

JayPlus

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
