

2010 EAGLE

Travel Partner

SUPER LITE TRAVEL TRAILER

You're no stranger to the RV lifestyle. You know what you're looking for in your next RV. And what you're not. That's why you're looking at the Jayco Eagle. Whether you choose the travel trailer, fifth wheel or one of our super lite versions, you'll find the Eagle offers more high-end features than the competition, at a much more affordable price. And that makes Eagle the smart choice for those looking to break away from ordinary RVing, without breaking the bank.

DURABLE

An I-Class® structural steel chassis frame, TuffShell™ vacuum-bonded laminated sidewalls, and a seamless rubber roof provide additional strength and durability.

COMFORTABLE

Available on the Eagle Fifth Wheel, our Polar Barrier™ thermal insulation package is designed for efficient heating and cooling, and protects against freezing, even when temperatures drop as low as 0°F (-17°C).

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

ENJOY THE MOMENT.

Cherry-stained burnished cabinetry, rustic plank-style flooring, Corian® countertops, a stainless steel kitchen sink and range, and name-brand amenities are just a few reasons why you'll fall in love with the Eagle Fifth Wheel's Premier Interior Package. After all, you're going to be spending a lot of time in whatever you buy. With an Eagle, it's guaranteed to be time well spent.

REFRESH

With a lighted mirror (in select models), skylight, medicine cabinet and shower, the bathroom is a welcome retreat.

SPACIOUS

Eagle's well-designed floorplans ensure there's plenty of room for everyone to spread out and relax.

MODERN

The kitchen includes a three-burner stove, lighted range hood, residential style sink and plenty of storage.

The smart way to move up.

Take your Eagle to the next level of liveability with a variety of options, including our Customer Value Package, which offers amenities such as a 13,500-BTU or 15,000-BTU central air conditioner, Multi-Media Premium Sound System™, microwave oven with carousel, electric patio awning and a bathroom power vent. With four luxurious series, including two super lites, and 21 floorplans to choose from, there's bound to be a combination that sets your pulse racing.

SUPER LITE TRAVEL TRAILER

Inside, you'll find many of the same amenities and finishing touches as the Eagle Travel Trailer, but its lighter weight makes for easier towing and maintenance.

TRAVEL TRAILER

Combining intuitive design, more standard name-brand amenities and superior construction materials and techniques, the Eagle Travel Trailer is an ideal upgrade from any entry level trailer.

SUPER LITE FIFTH WHEFI

Featuring many of the same floorplan advantages as the Eagle Fifth Wheel, but at a much lighter weight, the Eagle Super Lite Fifth Wheel fits perfectly into any RV lifestyle and budget.

FIFTH WHFFI

With more space, a tight turn radius, better amenities and superior construction, the Eagle Fifth Wheel is the cure for the common fifth wheel.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

FLOOR*

A 5/8" tongue-and-groove plywood deck on 2" x 3" floor joists, together with fiberglass and foil insulation (R-24) and a Poly Flex™ covering, creates one of the strongest foundations in the industry. (Eagle Fifth Wheel only.)

*All other Eagles feature laminated aluminum frame floor construction.

WALLS

TuffShell™ vacuum-bonded lamination combines with welded aluminum frames and metal backers, creating a durable structure designed to withstand use and travel.

ROOF*

The laminated, vacuum-bonded roof is topped off with ¼" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging. (Eagle Fifth Wheel only.)

*All other Eagles feature 4-½" wood rafters and R-7 fiberglass insulation.

BALL BEARING DRAWER GUIDES

Our new residential-style ball bearing drawer guides provide smooth operation and full-drawer extension for a stronger, more substantial drawer and a true home-like feel.

POLAR BARRIER

Our exclusive Polar Barrier™ thermal insulation package lets you extend the camping season by providing protection against freezing (temperatures as low as 0°F or -17°C), greatly increasing your options for winter travel destinations. (Eagle Fifth Wheel only.)

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

Jayco liveability

At Jayco, it's always been about liveability.

PATIO AWNING

Extend your living space more conveniently with the optional Carefree® Travel'r™ 12-volt electric patio awning.

HEATED, ENCLOSED UNDERBELLY

The weather outside may be frightful, but inside it's always warm and comfy.

OPTIONAL REMOTE KEY FOB

Control your front landing jacks, patio awning, patio lights and all slideouts. (Eagle Fifth Wheel only.)

DREAM DINETTE™

The Dream Dinette[™] easily raises and lowers your dinette table top, while the optional extendable dinette adds a 12" leaf and support leg.

SHORT-BED TOWING

Available on the Eagle Super Lite Fifth Wheel, the Reese® Sidewinder eliminates the need for a slider and lets you make tight turns with ease.

AMPLE STORAGE

Innovative storage options include space under the bed base, an exterior pass-through area and plenty of drawers and cabinets.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GWWR is equal to or greater than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restaurities.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
