- Full walk on roof
- 30 lb. LP bottles w/ cover
- 4" square bumper
- Tinted safety glass
- 78" interior height
- Double steps
- Detachable power cord
- 80 lb. gas struts (queen bed)
- Wood medicine cabinet
- 55 amp power converter
- Wood kitchen drawers w/ metal glides
- Spring loaded recessed hidden hinges
- Raised panel cabinet doors (uppers & lowers)
- Skylight in tub/shower

SP-295-Saffron Interior

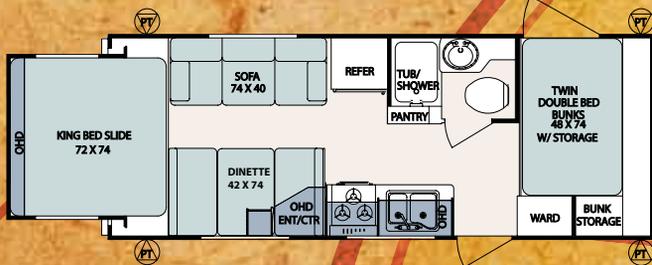

SV302-Cinnamon Interior

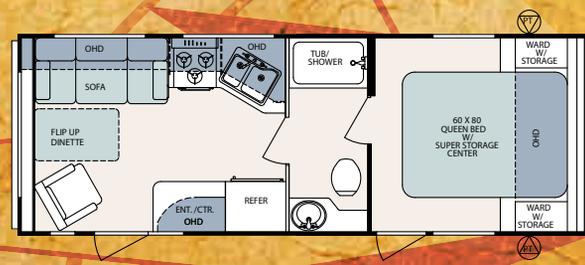

THE TRAILER MOST TRAVELED

Surveyor's aerodynamic exterior design, streamlined front end, lower center of gravity, independent torsion axles and enclosed underbelly, substantially reduces air turbulence and increases stability during travel.

- Tough, powder coated frame
- 2-5/16" coupler

SURVEYOR

COMPETITION

SURVEYOR SIDEWALL

Your Surveyor is constructed with 1.5" tubular aluminum framing in "all" openings. Is this necessary - we think so! Aluminum framed openings add strength and integrity to every Surveyor sidewall. No other lightweight trailer compares.

SURVEYOR ADVANTAGES

- Aluminum framing around all openings
- 2" thick sidewalls
- Independent torsion axles
- Heated and enclosed underbelly
- Full walk on roof
- 78" interior height
- Gas/electric DSI water heater
- 30 lb. LP bottles w/ cover
- 4" square bumper
- Water filtration system
- Fantastic fan
- Detachable power cord
- 60" x 80" queen beds
- Tinted safety glass
- Outside shower

FOREST RIVER ENCOURAGES YOU TO BUY LOCALLY

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are, as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- Forest River's goal is for all RV owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
