CAMPING TRAILERS

**STARCRAFT**

CAMPING | *pure and simple.*

# Pop up and see me.

Spend some time in the great outdoors without spending a great deal of money on a new 2010 Starcraft camping trailer. With three series to choose from, including the rugged RT series, there's a Starcraft guaranteed to fit your lifestyle and your budget. With Starcraft, you'll get a trouble-free trailer that's as easy to own as it is to love.

36RT / Blue

Starcraft 1224 / Caramel

## EXPANDABILITY

Centennial camping trailers can comfortably sleep up to eight adults (certain models) and still have room to spread out and relax.

## VERSATILITY

The Starcraft RT series comes with an extended front cargo area that holds up to 1,200 pounds of your favorite gear.

## SIMPLICITY

With a Starcraft camping trailer, you don't pay for features and gadgets you won't use. Our campers are built for camping. Nothing more and nothing less.

# Easy does it.

Starcraft camping trailers make it easy to spend quality time with your friends and family, without getting in each other's way. That's because each model is designed with comfort and convenience in mind, boasting family-friendly features like privacy curtains, Tough Guard® linoleum floors, built-in cooktop and sink. In other words, everything you need to enjoy time away.

Starcraft 1224 / Caramel

Relax and wash away your worries in Starcraft's interior shower with privacy curtain (available on select models).

Centennial 3614 / Chestnut

A well-designed kitchen with three-burner stove, double sink and large counter area offers plenty of room to prepare a home-cooked family meal.

Centennial 3614 / Chestnut

The Starcraft camping trailers feature comfortable front and rear sleeping areas with privacy curtains, bunk-end lights and fans and optional bed mat heaters for cooler evenings.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

## Built right.

We built our reputation making affordable, reliable and durable campers with an Amish-inspired attention to detail. We use the highest-quality materials available, state-of-the-art production techniques and time-tested design principles. Because the last thing you need to worry about when you're camping is your camper.

### FLOOR

Because a camper is only as strong as its foundation, we double-bond an undercoated, seamless 5/8" Structurwood® floorboard to our steel frame, resulting in one of the industry's strongest floors.

### WALLS

We combine 1 1/2" thick laminated sidewalls with wooden frames and backers to create a durable structure designed to handle the toughest conditions.

### LIFTER SYSTEM

Using strong, flexible push-rods to guide the roof as you crank it, our patented system is fully enclosed to protect against rust, with nylon bushings to reduce friction and extend the lifter's life.

## Built on tradition.

The Starcraft name has been around for more than 40 years – becoming one of the most dependable names in the camping industry. Today, our strong balance sheet and family-oriented business approach means we'll be around for decades to come. And you can bet our campers will continue to come with everything you need to have a great time in the great outdoors, at a price that guarantees you will.

### Why a Local Starcraft Dealer is Important to You

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

### One-year warranty

The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. Starcraft's limited warranty is not transferable. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

### Additional camping trailer warranty

Starcraft offers to the original purchaser of our camping trailers an additional limited lifetime parts and labor coverage on our lifter system, roof, floor and frame. We also offer a limited five-year (5) coverage on our tents with parts, labor and freight covered the first two years only.

Starcraft RV • PO Box 460 • Middlebury, IN 46540
