SPORTSMEN® TRAVEL TRAILER

S290RBS

The 26" LCD TV is included in the LX package.

Expand your sleep space with the conversion dinette and the LX package air bed sofa.

Kitchen shown with the LX package, note the high-rise faucet that is standard.

If a "truly large" bathroom in an RV is on your wish list...

then this is the model for you!

You'll need to see it to believe it. You'll even find two lavatories and extra storage in this spacious bath. You won't be cramped for space in the full size stand up shower stall.

The two-tone dinette slide-out features large windows and is framed by high-end wide molding fascia. The raise-up dinette table is included in the LX package.

SPORTSMEN® TRAVEL TRAILER

S221FL

A beautifully coordinated décor accents the comfort of the functional dinette. Dine by day, sleep by night and with additional convenient under-seat storage space as well.

It takes only a minute to convert the large dinette into additional sleeping space.

This kitchen has plenty of storage above and below, a high-rise faucet with dual deep bowl sink and a microwave that all come standard. Within easy reach is the optional double door refrigerator.

Extremely comfortable, beautiful and versatile all describe this sofa upholstered in an ultra-rich deep brown fabric with accenting inset panels.

At night, create even more sleep space with this sofa which takes only moments to fold out.

SPORTSMEN® FIFTH WHEEL

S265RE

Sportsmen® has earned its great reputation for many good reasons. Function, details and great looks all combine in one affordable unit.

KZ... Better than ever!

The large u-shape dinette is a great space for meals, games or just good times with friends. This dinette offers plenty of seating and converts into extra sleep space.

A full length pantry cabinet is standard and features an appliance garage.

Deck out and equip this impressive entertainment center as you prefer. A great look, lots of storage and the AM/FM/CD player is standard.

The décor coordinated slide out sofa converts to a bed.

Great kitchen convenience at your fingertips.

Walk-thru bath with lots of storage. Mirrored full length closets on each side of the bed.

2X2 WARRANTY – The KZ Recreational Vehicles 2x2 Warranty is a manufacturer's warranty. Each KZ product is warranted to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. The appliances and other amenities are warranted by the individual manufacturers of those components, not KZ. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local KZ Dealer or visit our web site at <http://www.kz-rv.com>.

* 2X2 warranty is not applicable on Sportsmen Classic, see your local dealer for details.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories** that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

** The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart. KZ affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.
