**POWER PLATFORM®.**

**Built for strength, stability and pass-through storage.**

Fleetwood's patented Power Platform® is the envy of our competitors. The ultra-strong chassis construction provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

- 1 Pass-Through Storage Compartment
- 2 Large Towing Capacity<sup>†</sup>
- 3 Center Mounted and Heated Holding Tanks
