

2010 Motorhomes by Jayco

AMERICA'S MOST **LIVEABLE** RVs.

2010 INSIGNIA

Luxury Liner

Ultimate

MANEUVERABLE

A surprisingly tight 55-degree turning radius, back-up and side-view cameras, and a one-piece seamless windshield make Insignia as easy to park as it is to drive.

INSIGNIA®
2010 Motorhomes by Jayco®

LIVEABILITY MEETS LUXURY

sophistication.

Designed as a five-star luxury suite on wheels, the 2010 Jayco Insignia offers everything you expect to find in a high-end Class A diesel pusher. Except the exorbitant price tag. Since it's built on a Freightliner chassis, with six-speed automatic transmission and a 360 HP Cummins ISC turbocharged engine, you'll have the power and maneuverability you need to handle whatever obstacles the road may throw your way. And handle them all in style.

STRONG

Insignia's Freightliner® chassis, combined with our X-Bridge™ Frame design, resists flexing and provides a strong foundation for the 5"-thick floor, with tongue-and-groove plywood underlayment, fiberglass insulation and a Poly Flex™ vapor barrier.

DURABLE

Our 2 3/4" TuffShell™ sidewall construction features a welded tubular aluminum frame, fiberglass and beadfoam insulation, 3/16" plywood and a layer of durable fiberglass.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

INSIGNIA 40CKFL | PAPIKA

EXTRAORDINARY IN EVERY WAY.

Insignia's tastefully decorated interior – Ultraleather™ cab and living area appointments, Washington Glazed Maple hardwood cabinetry, solid hardwood passage doors, high-end appliances, DuPont® Corian® solid-surface countertops in the bath and kitchen, plus oil-rubbed bronze fixtures and hardware throughout the coach – provide an unparalleled level of luxury and sophistication, for an RV experience that's anything but ordinary.

ELEGANT

You'll love preparing meals in the warm and roomy kitchen, complete with residential-style touches and ample storage options.

PEACEFUL

A pillowtop mattress, quilted bedspread, decorative headboard and halogen reading lights complete the bedroom's home-like atmosphere.

SPACIOUS

Insignia's bathroom boasts a fiberglass radius shower, DuPont® Corian® countertop with an integrated sink and an optional porcelain tile floor.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

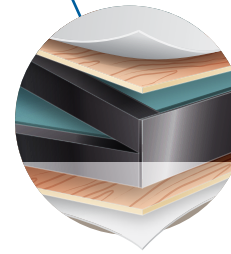

FLOOR

The dependable Freightliner® chassis, combined with the exclusive X-Bridge™ Frame design, resists flexing and provides a strong foundation for the Insignia's 5" thick floor, which features tongue-and-groove plywood, fiberglass insulation and a Poly Flex™ vapor barrier.

WALLS

Our 2 3/4" TuffShell™ sidewall construction features a welded tubular aluminum frame, fiberglass and bead-foam insulation, 3/16" plywood and a layer of durable exterior fiberglass.

ROOF

Our seamless one-piece fiberglass roof covers 4 1/2" aluminum trusses with R-19 fiberglass insulation and a vinyl ceiling, offering superior protection from rain, heat and noise.

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

Jayco liveability

HAND-LAID TILE

Insignia's interior features optional hand-laid porcelain tile floors and backsplash, with 2" inlays.

CEDAR-LINED CLOSETS

There's plenty of room for your wardrobe in Insignia's cedar-lined walk-in style closets.

WASHER/DRYER

The optional washer/dryer combo adds convenience without taking up space.

DRAWER GUIDES

New ball bearing drawer guides provide smooth operation and full-drawer extension.

ENTERTAIN ANYWHERE

Insignia's optional outside entertainment center features a 32" LCD HDTV with CD/DVD player and speakers.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

Gross Axle Weight Rating (GAWR): The maximum allowable weight each axle assembly is designed to carry, as measured at the tires, therefore including the weight of the axle assembly itself.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

1 YEAR LIMITED WARRANTY

The Jayco Insignia Motorhome Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Insignia is warranted to the original purchaser for twelve (12) months from the original date of purchase (or 12,000 miles, whichever comes first) against defects in materials and workmanship. The Insignia Motorhome Warranty also includes a three (3) year structural guarantee. Jayco's limited warranty is not transferable. **Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!**

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Your Jayco Dealer

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.
