

Chaparral Fifth Wheel

Chaparral

Engineered to go where you want, when you want.

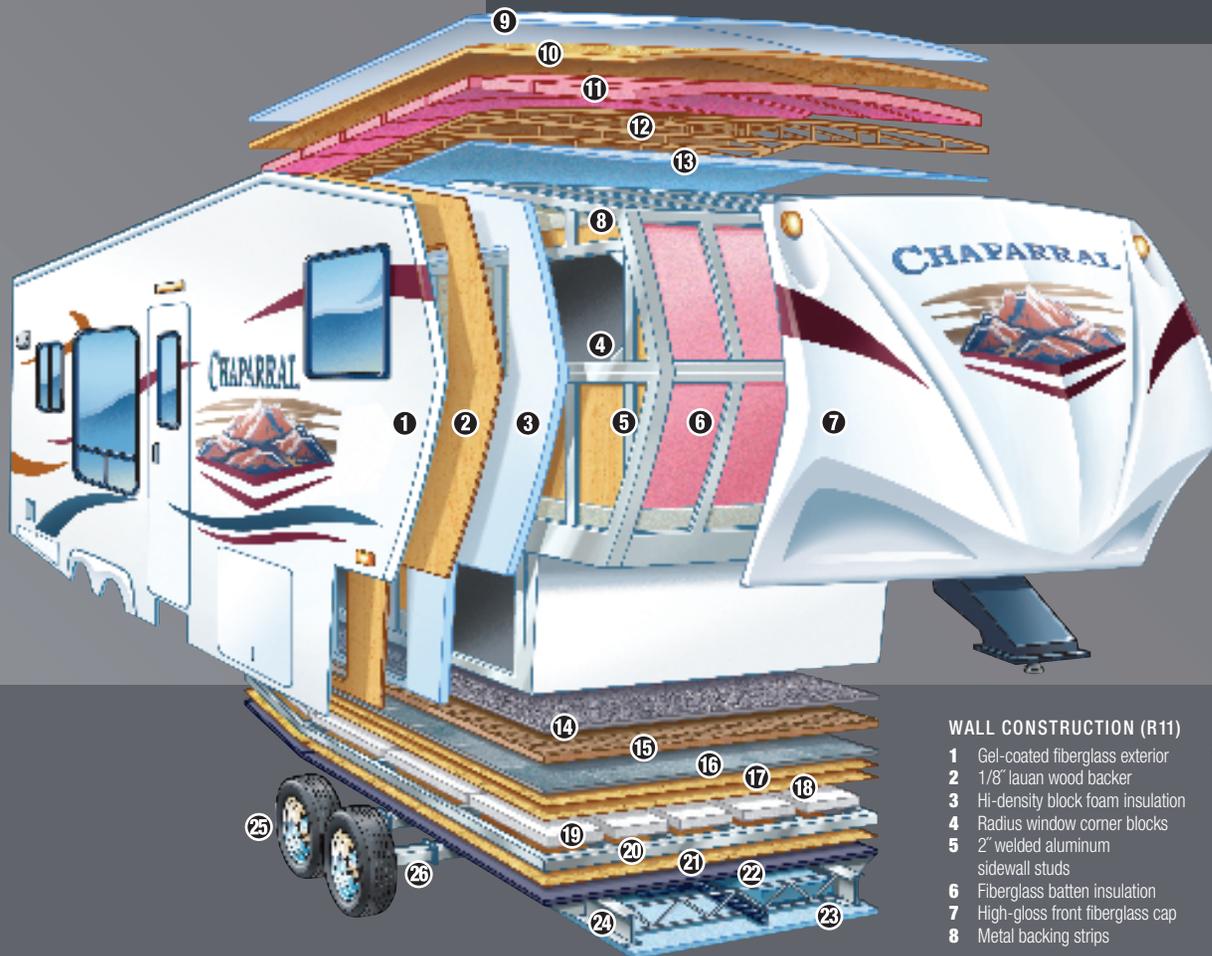

Coachmen

Chaparral

Two Chaparral models specifically engineered to take what you want, whenever you want.

— The economically minded LITE is perfect for a half-ton truck, while the Mid Profile is just plain ready for anything.

With a half-ton truck! — A big change to the Chaparral Lite is the new aerodynamic fiberglass front cap and hitch placement. Coachmen TurnTec Engineering combines an aggressive frame and cap design to achieve the industry's best turning radius, so you can handle sharp campground turns and other tight spots — all with a half-ton truck!

Quality lamination. — Our quality lamination process not only extends from the floor to the sidewalls, but also to the exterior underbelly, insulating it from extreme temperatures and sealing out dirt and pests. Extra shine — put aluminum wheels with the Chaparral Lite's fresh new colors and you've got a fifth wheel that says something special.

WALL CONSTRUCTION (R11)

- 1 Gel-coated fiberglass exterior
- 2 1/8" lauan wood backer
- 3 Hi-density block foam insulation
- 4 Radius window corner blocks
- 5 2" welded aluminum sidewall studs
- 6 Fiberglass batten insulation
- 7 High-gloss front fiberglass cap
- 8 Metal backing strips

ROOF CONSTRUCTION (R13)

- 9 One-piece EPDM rubber roof with 12-year warranty
- 10 3/8" fully walkable roof decking
- 11 Fiberglass batten insulation
- 12 5" roof trusses
- 13 1/8" ceiling decking with vinyl protection

FLOOR CONSTRUCTION (R14)

- 14 Residential grade carpet with stain protection
- 15 Residential grade carpet padding
- 16 Residential grade linoleum
- 17 1/8" lauan wood backer
- 18 2nd 1/8" lauan wood backer
- 19 Hi-density block foam insulation
- 20 2" welded aluminum floor joists
- 21 1/8" lauan wood backer
- 22 Darco floor bond (main floor)
- 23 Polypropylene fully enclosed sub-floor

TIRES AND CHASSIS

- 24 10" or 8" steel "powder coated" I-beam frame
- 25 15" or 16" radial tires
- 26 EZ Lube axles

Our 'lite' gives nothing away.

You can tow fifth wheel luxury and space with a half-ton truck! — The all-new Chaparral Lite is engineered to be the lightest luxury fifth wheel on the market. Designed for the towing capacity of a half-ton pickup truck, the Chaparral Lite offers spacious interiors with quality features and appointments everywhere you look.

Our state of the art manufacturing process utilizes lightweight lamination in floor and walls. The result: we give the half-ton truck customer a lot more coach at the same "lite" weight of our competitors. Everything you expect with a high-end fifth wheel is still there.

CHAPARRAL DECOR PATTERNS

English Garden

Turkish Coffee

Gypsy Red

With full-sized slideouts and more, the all-new Chaparral Lite won't leave anyone feeling cramped or second best. Just consider features like the Jensen AM/FM/CD/DVD player and marine grade exterior speakers, or the Magic Night Sleep System's instantly inflatable mattress,

or our full-sized queen beds (60" x 80"), or our bigger Pack Max Storage system and convenient universal docking station — all new and designed to make sure your RV time is quality time.

Marine grade exterior speakers are located beneath the awning and controlled by the A/B stereo switch.

12 volt battery disconnect quickly and conveniently provides a quick shutdown. No fumbling with battery cables for storage of your Chaparral while extending the battery's lifespan.

Pack Max storage — Larger, insulated pass-through storage doors make more room for coolers and camping equipment.

Put aluminum wheels with the Chaparral Lite's fresh new colors and you've got a fifth wheel that says something special.

In the bedroom, soft, roomy slumber awaits with this full-sized queen (60" x 80") with pillowtop mattress. While the Magic Night Sleep System instantly deploys an air mattress with the push of a button.

Dry Camp Package

Sometimes you may want to go off the beaten path. The Chaparral Dry Camp Package makes it easier to go wherever you want, stop wherever you want, without hookups: the ultimate freedom!

The package includes both lighting and stereo powered by your 12-volt battery, plus built-in space that can be used for a

generator. Then there is the fully enclosed underbelly that also seals out dirt and pests.

Termination valves are enclosed and are part of a universal docking station that conveniently houses, in one location, items such as city water hookup, fresh water fill, electrical and satellite hookups.

Add the rest of our rugged Chaparral features, and you have a self-contained fifth wheel ready for any new adventure.

Chaparral Mid Profile – ready with more! — The Chaparral Mid Profile is engineered to provide outstanding and easy-to-use accommodations wherever you go. Family and friends can join you in style on a multitude of RV excursions, or you can just get away to dry camp with all the comforts of home in tow. With the new Chaparral Mid Profile, you can do more than you've ever thought of before.

A universal docking station conveniently houses, in one location, items such as city water hookup, fresh water fill, electrical and satellite hookups.

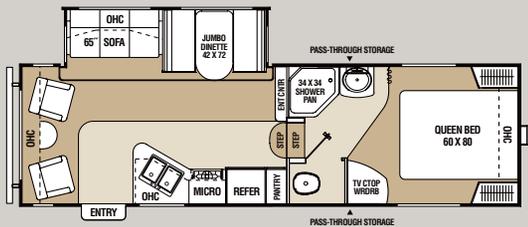

A bedroom where form follows function. A full size dresser and full-front wardrobe create space for you and your belongings.

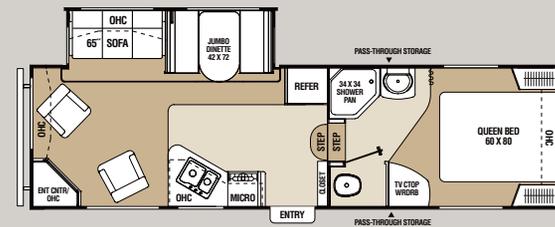

New floorplans include the 355RLS rear loft that provides roomy loft sleeping with an industry best 29 inches of headroom from mattress to ceiling. A second living area underneath allows 6' 3" of headroom and makes for a great kids room or guest room complete with an LCD flat screen television.

Big benefits for new owners

Owners club discounts and more — A free one-year membership in the Coachmen Owners Association comes with the purchase of any Coachmen product. This add-on value not only provides a host of travel services and campground discounts, but also a 24/7 online service that locates needed services while offering member savings at more than 180,000 merchants across the country. And, of course, the COA is an excellent way to share experiences with other Coachmen owners through rallies and caravans.

Free roadside assistance

Coachmen provides one year of free Travel Easy™ emergency roadside assistance for those who buy a new Coachmen RV. Administered by Coach-Net®, this service gives Coachmen owners 24/7 access to operational, technical and emergency road services, including towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical advice. So no matter where you go, we're ready to help!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions, and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
