SUNSET TRAIL

ULTRA LITE TRAVEL TRAILERS

BUILT FOR THE LONG HAUL

ST27FB Living area shown with Chocolate décor.

We don't believe in sacrificing comfort and beauty to achieve lightweight towing. Through ingenious engineering and design, Sunset Trail achieves both. Step inside and look around these beautiful interiors, and it's hard to imagine that these are ultra lite units. You'll find an abundance of innovative features such as the two-way entertainment center that allows TV viewing from the bedroom or living area. Rich decors, comfortable furnishings, and large storage capacity create easy going lifestyle.

Model ST29QB shown with Foliage décor

With Sunset Trail, the comforts of home come right along with you. We've included many standard features that are offered only as options, or not at all, on other brands. Efficiently designed kitchens, cozy bedrooms, and roomy bathrooms reflect our emphasis on comfort.

ST31KS

Tanks

- Fresh water capacity - 32 gallons
- Black water capacity - 40 gallons
- Grey/galley capacity - 40 gallons

CrossRoads provides a 3" rain gutter to keep roof water away from exterior walls to prevent run off streaking.

Slide-out cook center is standard on most Sunset Trail models. (N/A SX17CK)

Our aluminum floors have 16" OC aluminum studs and can hold 50 – 42 lb. tires for grand total of 2,100 pounds!

Model ST29BH shown with Bricktone Red décor

Full outdoor kitchen is standard on the ST31KS

DÉCOR CHOICES

Chocolate – Deep, warm browns blended with taupes in a paisley design

Foliage – Deep, warm greens blended with a natural leaf pattern

Bricktone Red – Patterns of nature in reds, browns and tan

Secure Stance is standard on all Sunset Trail models. The Secure Stance provides safer and easier towing. Shown with available aluminum rims. (Above)

SUNSET TRAIL QUALITY CONSTRUCTION

CONSTRUCTION STANDARDS

1. One-piece rubber roof with 12 yr. manufacturer's warranty
2. Roof decking
3. 16" OC metal roof rafters
4. R-15 spun fiberglass sidewall insulation*
5. Radius blocks
6. Lamiflex fiberglass exterior
7. 16" OC aluminum - sides, front & back
8. Gravel shield
9. 30" Radius entry door
10. 13,500 BTU ducted A/C
11. 6", 8" or 10" I-beam frame (varies by model)
12. 16" OC aluminum floor joists
13. R-28 Fiberglass floor insulation*
14. 5/8" Lightweight tongue and groove plywood floor decking
15. Linoleum throughout (carpet in front of the slides)
16. Fully enclosed underbelly with heated tanks
17. 4" x 4" Bumper for sewer hose storage

EXTERIOR STANDARDS

20. Large capacity cargo storage
21. Tinted windows
22. Large entry assist handle
23. Patio awning
24. Slide-out cook center (N/A on SX17CK)

- EZ lube hubs

* R-values based with POLARTEC upgrade insulation package. All R-values are approximated using industry resources and are subject to change without notice.

PolarTec (Available Upgrade Insulation Package)

CrossRoads RV tested its products in the Dometic extreme temperature chamber. With superior construction and higher R-Values, CrossRoads products exceeded the competition. The furnace in our products cycled longer at extreme cold temperatures than our competitors. In some cases, our competitor's furnaces didn't even cycle at all.

Dependability that Lasts

What our competitors don't want you to see! Our aluminum frames are bolted not welded. This makes them much stronger and gives them a longer life. Poorly welded frames come apart and are costly to fix.

Standards stated throughout this brochure are partial lists only. See your dealer or visit www.crossroadsrv.com for a complete listing.

Standard Expandable Exterior

- Exterior slide-out cook center (N/A SX17CK)
