# LANDMARK

# LANDMARK

BY HEARTLAND

## Picture Yourself

in this LANDMARK living room highlighted by an over-size bay window framed by elegant window valances and hardwood overhead cabinets with decorative glass inserts. The entertainment center/work desk area features up to 40" flat screen LCD televisions with a motorized lift bracket to raise the TV for viewing or lower it to enjoy the view through the window; plenty of work space crafted in a true Hanex™ solid-surface countertop with convenience outlets and built in storage.

Rushmore

Each LANDMARK features stunning, Amish-crafted hardwood interiors with a rich, cherry stain. You'll appreciate LANDMARK's attention to detail, from the custom soffeting and moldings to the upgraded furniture. Storage abounds, from the deluxe air-mattress hide-a-bed sofa with large storage drawer, to the hand-crafted hardwood dinette with self storing leaf and storage in the chairs.

Grand Canyon

Rushmore

# Spacious

Interiors are the hallmark of the LANDMARK series of luxury fifth wheels by Heartland RV, and this island kitchen design is one of the best ever. You'll love LANDMARK's extraordinary storage and countertop space - featuring all hardwood cabinetry with detailed raised panels and solid-surface

counter tops with bull-nose two-tone edging. The appliances feature stainless steel fronts, while the track lighting overhead lends to the coach's true residential feel.

Whether you're preparing meals or hosting guests, this LANDMARK is sure to impress with its stunning look and spacious design. The side-aisle layout of this model allows for a full wall of extra cabinets running next to the optional 4-door refrigerator.

Strong, steel ball-bearing, full-extension drawer guides on every drawer allow LANDMARK to construct deeper, more usable storage for our customers.

## Relaxing Retreat

The bedroom/bathroom suite of the LANDMARK features tremendous spaciousness and a well-thought design. The plush, pillow-top king bed in the slide-out is surrounded by elegant slide fascia and a custom headboard. The designer pillow package and bedspread scream sophistication. Dual windows provide excellent cross-ventilation, while a private entrance is provided to the side-aisle bath.

### Rushmore

One of the great things about this LANDMARK Rushmore side-aisle bath design is the true residential feel it provides, as well as the privacy factor. The large Seamless one piece fiberglass curved front corner shower is highlighted by an overhead skylight while a glass vessel sink sits atop a roomy lav base with solid surface countertop.

Hand-crafted hardwood louvered doors hide a stackable washer/dryer closet – perfect for handling all your laundry needs while on the road.

### Exclusively Engineered & Built for HEARTLAND

- 3½ Memory foam Pillow top construction
- 5 Year Warranty
- 12" tall mattress profile
- Fits standard sheet sets
- No Flip Design

# Residential Design

Not only does the LANDMARK bedroom suite offer a relaxing retreat, it also is home to some of the finest residentially inspired storage space ever achieved in a fifth wheel. The dresser at the foot of the bed features tall drawers on full-extension steel ball-bearing glides for maximum function, and is topped by a radius solid-surface counter top. The side linen closet combines with the overhead cabinets and optional flat screen TV to provide this dresser with true functionality. Natural light is provided by both the large window above the dresser and window in the hallway, while the radius wall of the bathroom separates this coach from the rest.

The LANDMARK has always been known for exceptionally large front wardrobes and well-designed bedroom suites and this year's model proudly maintains that tradition. Built-in shoe storage combines with a large overhead shelf and full width clothes rod to maximize the storage space.

## Luxurious Decors

Choose from Four elegant decors featuring durable fabrics on the furnishings and window coverings.

Indigo

Godiva

Slate

French Roast

# Refined Design

LANDMARK kitchens are designed with you in mind. A harmonious balance of food and equipment storage, preparation area equipped with name brand appliances integrated with large solid surface countertops and large usable clean-up area. This combination offers the most sensible, residential kitchens available in a luxury fifth wheel.

The LANDMARK Rushmore offers a spacious island kitchen design with loads of base cabinet and overhead storage space!

Up the staircase on the right leads to a true bedroom suite featuring a stunning glass privacy door with shade in the hallway and a pocket door separating the bathroom from the bedroom.

Choose the optional DOMETIC™ Elite 4-door refrigerator offering 14 cu.ft. of storage space.

Grand Canyon

# Affordable Luxury

When it comes to affordable luxury and value, LANDMARK leads the way with stunning all hardwood interiors, solid-surface countertops, large LCD TVs, fireplaces, free-standing dinettes with self storing leaf, air-bed mattress sofas, expansive interior layouts and quality appliances and amenities! You'll appreciate the attention to detail found in each LANDMARK fifth wheel as well as the many storage opportunities found throughout the coach.

**HAND RUBBED**  
ANTIQUE GLAZED CHERRY

Don't settle for anything less than all hardwood cabinetry, including the stiles which are pre-drilled and screwed for long lasting function.

STAINED HARDWOOD

# Your Laminated World... **LANDMARK** BY HEARTLAND

## Strength, Durability & Comfort BEYOND COMPARE!

The combination of these three systems bring you the Strongest and Lightest construction available while also providing unparalleled noise reduction, thermal insulation and durability. Protecting your investment is important to HEARTLAND. Laminated construction provides that protection in addition to offering peace of mind that you will be spending more time enjoying your family and travels than worrying about repairing your RV.

### LAMINATED WALL SYSTEM

**2" THICK  
SIDEWALLS!**

Lightweight  
ALUMINUM

Just an 1/8" thick foam cup protects your hand from scalding hot coffee... imagine what nearly 2" of block foam does for your Laminated Heartland Sidewall!

Double Welded, Fully Laminated  
Sidewall Construction

### LAMINATED FLOOR SYSTEM

LANDMARK's LAMINATED Floor System is one of the STRONGEST FLOORS in the industry! Featuring sturdy 2.5" Aluminum Framing; thick Block Foam Insulation; One-Piece Seamless Decking and a Thermo-Board Luan on the bottom. All of this is Laminated together for Maximum Strength and Insulation R Value - virtually eliminating flex in the floor!

**NO MORE FLEX!**

Competition's Non-Laminated Floor

Traditional RV Floor Construction often flexes in the middle of the coach - because that's where the holding tanks are located and there is no steel frame support under the lumber.

# BEST-IN-CLASS

- INSULATION - R VALUE
- NOISE REDUCTION
- DURABILITY
- STRENGTH
- LOOKS

- RUBBER SKIN
- WOOD DECKING
- BLOCK FOAM INSULATION
- ALUMINUM RIBS & PERIMETER
- DECORATIVE, TEXTURED CEILING VINYL

**5 INCHES - FIVE LAYERS**

**Strength, Durability & Comfort BEYOND COMPARE!**

## SOUND BARRIER

## THERMAL EFFICIENT

## SUPER STRENGTH

HEARTLAND'S LAMINATED Floor Construction easily supported over 1,800 lbs. of Water Jugs in one spot - resulting in less than 1/4" of flex!!

HEARTLAND'S 3" LAMINATED FLOOR

Heartland builds recreational vehicles with as many residential features and construction methods as possible and we are excited to introduce this 3" Laminated Floor System in our LANDMARK fifth wheels. Choose Heartland for Maximum Strength; Maximum Insulation Value; and Minimal Flex!!

**LAMINATED ROOF SYSTEM**

# Distinguishing Features

It's the attention to detail and the quality components and construction that make the LANDMARK stand out from the competition as the best value for your investment.

The LANDMARK's cavernous pass-through exterior storage compartment is clutter-free for maximum use of space and features a rugged, diamond-plate vinyl flooring with steel tie-down rings to help secure your cargo. There are electrical and TV hookups for outdoor entertainment, while strong gas struts easily lift up the insulated door and hold it in place.

Choose full body paint for a long lasting elegant look and added protection for your investment.

Enjoy the sleek, modern looks and functionality of LANDMARK's new optional bus style slam doors equipped with heavy duty struts for easy operation and they prevent unexpected closings due to wind. Oversized pull latches open easily. The tight automotive rubber seal protects your belongings from moisture and LANDMARK's compartments are keyed for security using keys and locks unique to LANDMARK.

The electric power cord reel means you'll never have to wind that heavy 50-amp cord up by hand again!

# SUPERIOR CONSTRUCTION AND DESIGN TRANSLATE INTO A SUPERIOR VALUE!

Perfect for Short-Bed, Extended-Cab Trucks No Slider Hitch Necessary

NOTHING TURNS LIKE THE ORIGINAL  
**88°**  
ACHIEVE 88° TURNING!  
IN A SHORT-BED, EXTENDED CAB TRUCK

CORNERING IN-TOWN or BACKING INTO CAMPSITES

88° LAKE VIEW

BEWARE OF IMITATIONS!  
PATENT PENDING!

## STUNNING FRONT CAP DESIGN

The fiberglass front cap for the LANDMARK is all new with sleek radiuses and design lines flowing through it. The Patented turning radius design is perfect for short-bed, extended-cab trucks!

## ZERO° TESTED!

Heartland 5th wheel Construction has been subjected to rigid testing in the famous DOMETIC™ extreme temperature testing chamber where it passed with flying colors! The chamber is set to 0° to test the unit's heating efficiency, followed by being set at 100° to test its cooling efficiency. With our thick 2" laminated walls; enclosed and heated underbelly; and insulated floor - the interior of the Heartland coach remained warm and comfy during the sub-freezing test and nice and cool during the heat test!

For more details, visit our web site:  
[www.HEARTLANDRVs.com](http://www.HEARTLANDRVs.com)

Trailair's™ EQUAL-FLEX rubber-cushioned equalizer suspension system is standard on every LANDMARK and provides an incredibly smooth ride.

LANDMARK's thick, double insulation in the sub-floor is great for extended stay camping.

## HEATED AND ENCLOSED UNDERBELLY

This one-piece corrugated plastic underbelly is fitted and attached to the entire length of the fifth wheel, providing a thermal barrier that is easily removed for access to the underbelly. The underbelly area is insulated and heated from the furnace to help protect against the elements.

The LANDMARK's famous Universal Docking Center has truly changed the way fifth wheels are designed. When Heartland pioneered this engineering marvel, nothing like this had ever been accomplished in a towable. This year's version is better than ever with built-in water heater by-pass and black tank flush valve; an improved easy-winterization system; all holding tanks pull handles; city water fill; hot and cold shower; phone, cable and satellite hook-ups and more!

Enjoy the convenience of not carrying keys everywhere. We use the same automotive system Ford Motors uses on their popular luxury cars. The keypad illuminates for easy night time access and you can change the pin code as often as desired for added security.

Heartland's optional ToyLok is perfect for quickly and easily securing bikes, grills, furniture and anything else that needs to be secured when you leave your site unattended.

## Hydraulic Landing Gear

**Hydraulic Gear**  
is 14.46 times  
**FASTER**  
than conventional  
electric landing  
gear.

EXTEND	
Hydraulic w/ load	<b>9.4 Seconds</b>
Electric w/ load	2.26 Minutes
RETRACT	
Hydraulic w/ load	<b>6.8 Seconds</b>
Electric w/ load	1.75 Minutes

Extend and Retract time for Hydraulic and Electric Landing Gear:  
Based on 15 inches of travel

- Hydraulic Lifting Capacity is 2.1 times Greater than electric
- 9 inch Round foot pads on hydraulic landing gear legs have a compression area of 254 sq in per leg or 508 sq in total
- 6 inch x 9 inch Electric foot pads only have a compression area of 54 sq in per leg or 108 sq in

HEARTLAND ADVANTAGE  
Solid Surface Counter Tops

HEARTLAND ADVANTAGE  
CERTIFIED For FOOD Preparation  
Non-porous Surface

LANDMARK's HANEX™ TRUE RESIDENTIAL SOLID SURFACE Counter Tops increase the usability, beauty and value of our coaches. The advanced blend of natural materials and pure, acrylic polymer is formed over a strong plywood base, providing design versatility and long-term performance to our customers. Hanex™ is one of the toughest counter tops in the world that is both durable and RENEWABLE. RENEWABLE means it is the same consistency through and through and if scratched or chipped, can be easily repaired so that it looks like new!

The competition on the other hand... offers only a thin layer of FIBERglass, adhered to lesser quality particle board material that disintegrates when it gets wet. The FIBERS of these counter tops tend to stick out of the bottom edges and are painful to the touch.

**vs. THIN FIBERGLASS.**

Preserving our environment is very important to HEARTLAND. We strive to reduce, reuse and recycle in every facet of the corporation. We are reducing paper waste with new electronic processing, our vendor partners reuse packaging and crating for many components and we recycle all aluminum scrap, wood cutoffs, skids, wire, cardboard and plastic containers. Heartland is doing our part to preserve the environment so you and your children's children can enjoy RVing in all that our precious environment has to offer.

HEARTLAND ADVANTAGE  
Green Manufacturing Processes

One Touch Four Point Hydraulic Auto Leveling System option. Spend more time relaxing and less time leveling your coach. The Leveling system also retracts in seconds saving time and hassle when its time to break camp.

STORAGE DRAWER

HEARTLAND ADVANTAGE  
Battery/110Volt

HIDE-A-BED  
AIR-MATRESS

Yet another LANDMARK smart design - the air-mattress hide-a-bed sofa offers the ultimate in comfort, as well as a deep drawer that is perfect for storing throw blankets and other items.

Heartland Recreational Vehicles  
 1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

**Community. Convenience. Close-to-home.**

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

**BENEFITS OF PURCHASING YOUR RV LOCALLY:**

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

**DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!**

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
