A

AZDEL SUBSTRATE. All Foresters use SuperLite composite instead of a wood substrate. It is lightweight, formaldehyde free and is not affected by moisture.

B

C

3011DS | SAND WITH CHERRY WOOD

All Foresters are "Certified Green" by TRA Certification. Green manufacturing means a cleaner/greener environment.

D

E

Forester Features

A. All Foresters feature heated/enclosed holding tanks and utility station. Your tanks stay warm with forced furnace heat and your dump area remains free from road debris.

B. Why sacrifice a good night's sleep in your home away from home. Our standard Serta mattress will make counting sheep a thing of the past.

C. With Foresters optional back-up camera located in the rear-view mirror, you never have to take your eyes out of the windshield to see what's behind you as you travel down the road.

D. By integrating your entry step, you never worry again that your power step will fail. Your coach batteries also stay clean and accessible in the stepwell.

E. Forester's unique split level design gives you maximum headroom in the living area, while still offering pass-through storage on every floorplan.

3171DS | STONE WITH CHERRY WOOD

Forester Features

A. If you like to mix business with pleasure the 3171DS can still be the perfect option. The optional desk and larger wardrobe can easily replace the bunks and make it the perfect coach for the “professional” camper.

B. All Forester dinettes easily convert to a bed in the evening. Full extension drawers in the seat base offer convenient, accessible storage.

**KIDS
ZONE**

C

D

E

Forester Features

C. / D. / E. KIDS ZONE. The 3171DS floor plan offers our innovative “Kids Zone”. The bottom bunk doubles as a sofa making it the perfect area for kids to hang out. Featuring a 19” 12v TV, DVD player and connections for gaming systems, your kids will have no trouble being entertained on those rainy afternoons.

FOREST RIVER ENCOURAGES YOU TO

BUY LOCALLY

FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements. Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional. The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
