

CAMPING TRAILERS

Simply fun.

BUILT FOR FUN.

Spending quality time with the people you love has never been easier—or more fun—than in a new camping trailer from Starcraft. With three series to choose from—each designed with economy, comfort, convenience and durability in mind—Starcraft camping trailers are perfect for anyone who wants to experience the camping lifestyle without giving up any of the comforts of home.

SIMPLY THE BEST CONSTRUCTION

We don't play games with our prices, and we don't make you pay for stuff you don't need. Instead, we put all of our time and energy into making a well-built, quality camper at an affordable price. In short, our campers are built for camping.

VACUUM BONDED FOR STRENGTH

Our walls combine 1-3/2" thick laminated sidewalls with wooden frames and backers to create a durable structure designed to handle the toughest conditions.

DURABLE TENT DESIGN

Using strong, flexible push-rods to guide the roof as you crank it, our patented lifter system is fully enclosed to protect against rust and debris and is backed by a 7-year warranty, while the tent features our water-repellent, double-stitched Aqualon material.

A FIRM FOUNDATION FOR DURABILITY

We wrap a seamless 5/8" Structurwood floorboard with Darco underbelly material and double bond it to our steel frame, resulting in one of the strongest floors available.

12RT

Centennial 3612

CARRY-OUT STOVE

A stainless-steel carry-out stove lets you cook outside, freeing up more interior room for guests (n/a on 3612 or 36RT).

EASY SETUP

Setup is quick and easy with Starcraft's permanently attached sectionalized tent and E-Z Store bed supports.

E-Z LUBE AXLES

Keeping your camping trailer in tip-top towing shape is easy with our E-Z Lube axles and Torq-N-Go wheel nuts.

ONE-PIECE DOOR

Starcraft's one-piece door is easy to clean and store, leaving no gaps for drafts or insects.

STORAGE BOX

Keep your gear safe and secure in the convenient storage box (optional on RT Series only).

Starcraft 1224

5 things you'll simply love: 1,050-lb. rated bunk ends | Diamond plating on front and rear | EZ-Store bed supports | Corrosion-resistant frame | Torsion axles

Starcraft® Series

LESS IS MORE.

With the Starcraft Series, you won't pay for gadgets and extras you don't need. Our AquaShield Aqualon tent material repels water and resists mildew, a carry-out stove lets you enjoy cooking outdoors, tinted windows provide privacy and shade, and 4" non-sliding dinette cushions offer comfort and easy cleanup. Starcraft camping trailers simply give you more of what you need.

REFRESHING RETREAT

The Starcraft Series features an optional bath/shower combo with privacy curtain (1224).

ROOM TO REST

With comfortable sleeping for up to eight adults, you'll be rested and ready to hit the trail running.

Centennial® Series

EASY DOES IT.

Love the convenience of a camping trailer, but need a little more room? Centennial camping trailers can comfortably sleep up to eight adults with a pair of king-sized bunk ends, giving you plenty of space to spread out and relax. A three-burner stove/oven, 3 cu. ft. gas/electric refrigerator, Brown Sugar hardwood doors, a power roof lift and a 16,000-BTU furnace help set Centennial apart.

FRESHEN UP

Relax and wash away your problems in Centennial's optional interior shower with hardwalls and shower curtain.

CONVENIENT AND COMFY

Centennial's sleeping areas are rated for 1,050 pounds and feature privacy curtains, bunk-end fan lights and optional bed mat heaters.

12RT

RT Series cargo area

36RT / MOR/ryde suspension

RT® Series

READY TO RUMBLE.

The Starcraft RT combines the convenience of a camping trailer with the durability of a toy hauler. Outside, you'll find a diamond-plated front cargo area with six welded D-rings that hold up to 1,200 pounds of your favorite outdoor toys, while the interior features easy-care vinyl flooring, a granite-look countertop and microwave oven (unavailable on 12RT). Meanwhile, a power roof lift makes setting up camp easier than ever.

OUTDOOR SHOWER

In addition to the indoor bathroom (standard on the 36RT), the RT also features an outdoor shower, so you can keep dirt, dust and debris where it belongs—outside.

SLEEP LIKE A KING

After a hard day of play, you'll appreciate the RT's king-sized sleeping areas.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

Built on tradition.

The Starcraft name has been around for more than 40 years – becoming one of the most dependable names in the camping industry. Today, our strong balance sheet and family-oriented business approach means we'll be around for decades to come. And you can bet our campers will continue to come with **everything you need to have a great time in the great outdoors, at a price that guarantees you will.**

One-year warranty

The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. Starcraft's limited warranty is not transferable. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

One-year roadside assistance

Travel worry-free with the complimentary Coach-Net Roadside Assistance program, which gives you immediate access to dependable roadside assistance with a simple phone call.

Why a Local Starcraft Dealer is Important to You

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.
